Assembly Steps (General Guidance)

1. Unpack all components and verify against the parts list (refer to your included assembly manual for specific parts).
2. Assemble the main desk frame according to the provided diagrams.
3. Install the drawers into their respective slots. Ensure smooth operation.
4. Attach the LED mirror unit. This step typically does not require tools.
5. Assemble the hidden storage stool.
6. Connect the power cord for the charging station and LED mirror to a suitable wall outlet.

Note: For detailed, step-by-step assembly instructions, please refer to the separate assembly guide included in your

product packaging.

Operating Instructions

Using the LED Mirror

Image: A detailed view of the vanity's LED mirror, showing its illuminated frame and the organized top drawer filled with various makeup items. This highlights the mirror's functionality and the storage.

- **Power On/Off:** Gently touch the power icon on the mirror surface to turn the LED lights on or off.
- **Change Color Mode:** Short-press the power icon to cycle through the three lighting modes: white light, natural light, and warm light.
- **Adjust Brightness:** Long-press the power icon to adjust the brightness level. Release when desired brightness is achieved.
- **Mirror Position:** The mirror can be folded down to transform the vanity into a flat-top desk or nightstand.

Utilizing the Charging Station

- **Drawers:** Utilize the three drawers for organizing makeup, accessories, and other personal items. The top drawer includes dedicated jewelry organizers.
- **Hidden Stool Storage:** The accompanying stool features a hidden compartment for additional storage.
- **Foldable Accessory Panel:** Use the side panel to hang or store hair tools like curling irons or dryers.

Maintenance and Care

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Mirror Care:** Clean the LED mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror surface, apply to cloth first.
- **Spills:** Immediately wipe up any spills to prevent damage to the MDF finish.
- **Weight Capacity:** Do not exceed the desktop weight capacity of 50 lbs.
- **Electrical Components:** Ensure the charging station and LED mirror are unplugged before cleaning or if not in use for extended periods.

Troubleshooting

Problem	Possible Cause	Solution
LED Mirror lights do not turn on.	Not plugged in. Power outlet issue. Loose connection.	Ensure the desk's power cord is securely plugged into a working outlet. Test the outlet with another device. Check all connections to the mirror unit.
Charging station not working.	Desk not powered. Device cable faulty. Device incompatibility.	Verify the desk is plugged in and receiving power. Try a different charging cable or device. Ensure your device is compatible with USB/Type-C charging.
Drawers are stiff or difficult to open/close.	Improper assembly. Obstruction in the drawer slide.	Review assembly instructions for drawer installation. Check for any objects or debris obstructing the drawer slides.
