VOWNER VOWNER-490

VOWNER Vanity Desk with Lighted Mirror (Model VOWNER-490)

User Manual

Introduction

Thank you for purchasing the VOWNER Vanity Desk with Lighted Mirror. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Information

- Always follow assembly instructions carefully.
- This product is heavy (approximately 124 pounds) and may require two people to lift and assemble. Seek assistance to prevent injury.
- Always anchor the vanity to the wall using the provided anti-tip hardware to prevent tipping, especially in households with children or pets.
- Keep fingers away from pinch points during assembly and when operating drawers.
- Ensure all electrical connections for the lighted mirror and charging station are properly secured and conform to local electrical codes.
- Do not overload the electrical outlets on the charging station.

Package Contents

Before assembly, verify that all components are present and undamaged. Refer to the separate assembly guide for a detailed list of parts and hardware.

- Vanity Desk Components
- Lighted Mirror Assembly
- Stool Components
- Hardware Pack (screws, dowels, anti-tip kit, etc.)
- Power Cord for Lights and Charging Station
- Assembly Instructions

Setup and Assembly

Assembly of the VOWNER Vanity Desk requires careful attention to the provided instructions. It is recommended that two adults perform the assembly due to the weight and size of the components.

1. **Unpack and Organize:** Carefully unpack all components and hardware. Lay them out on a clean, soft surface to prevent scratches. Group similar parts together.
2. **Review Instructions:** Read the entire assembly guide before starting. Identify all parts and hardware.
3. **Assemble Base Structure:** Follow the step-by-step diagrams in the assembly guide to construct the main desk frame and drawer units.
4. **Install Drawers:** Insert the 11 drawers into their respective slots. Ensure they glide smoothly.
5. **Attach Mirror:** Securely attach the lighted mirror to the vanity desk according to the instructions.
6. **Assemble Stool:** Put together the cushioned stool. Note that the stool also features internal storage.
7. **Connect Power:** Plug the power cord for the lighted mirror and integrated charging station into a suitable wall outlet.
8. **Anchor to Wall:** For safety, use the included anti-tip kit to anchor the vanity desk to a wall stud.

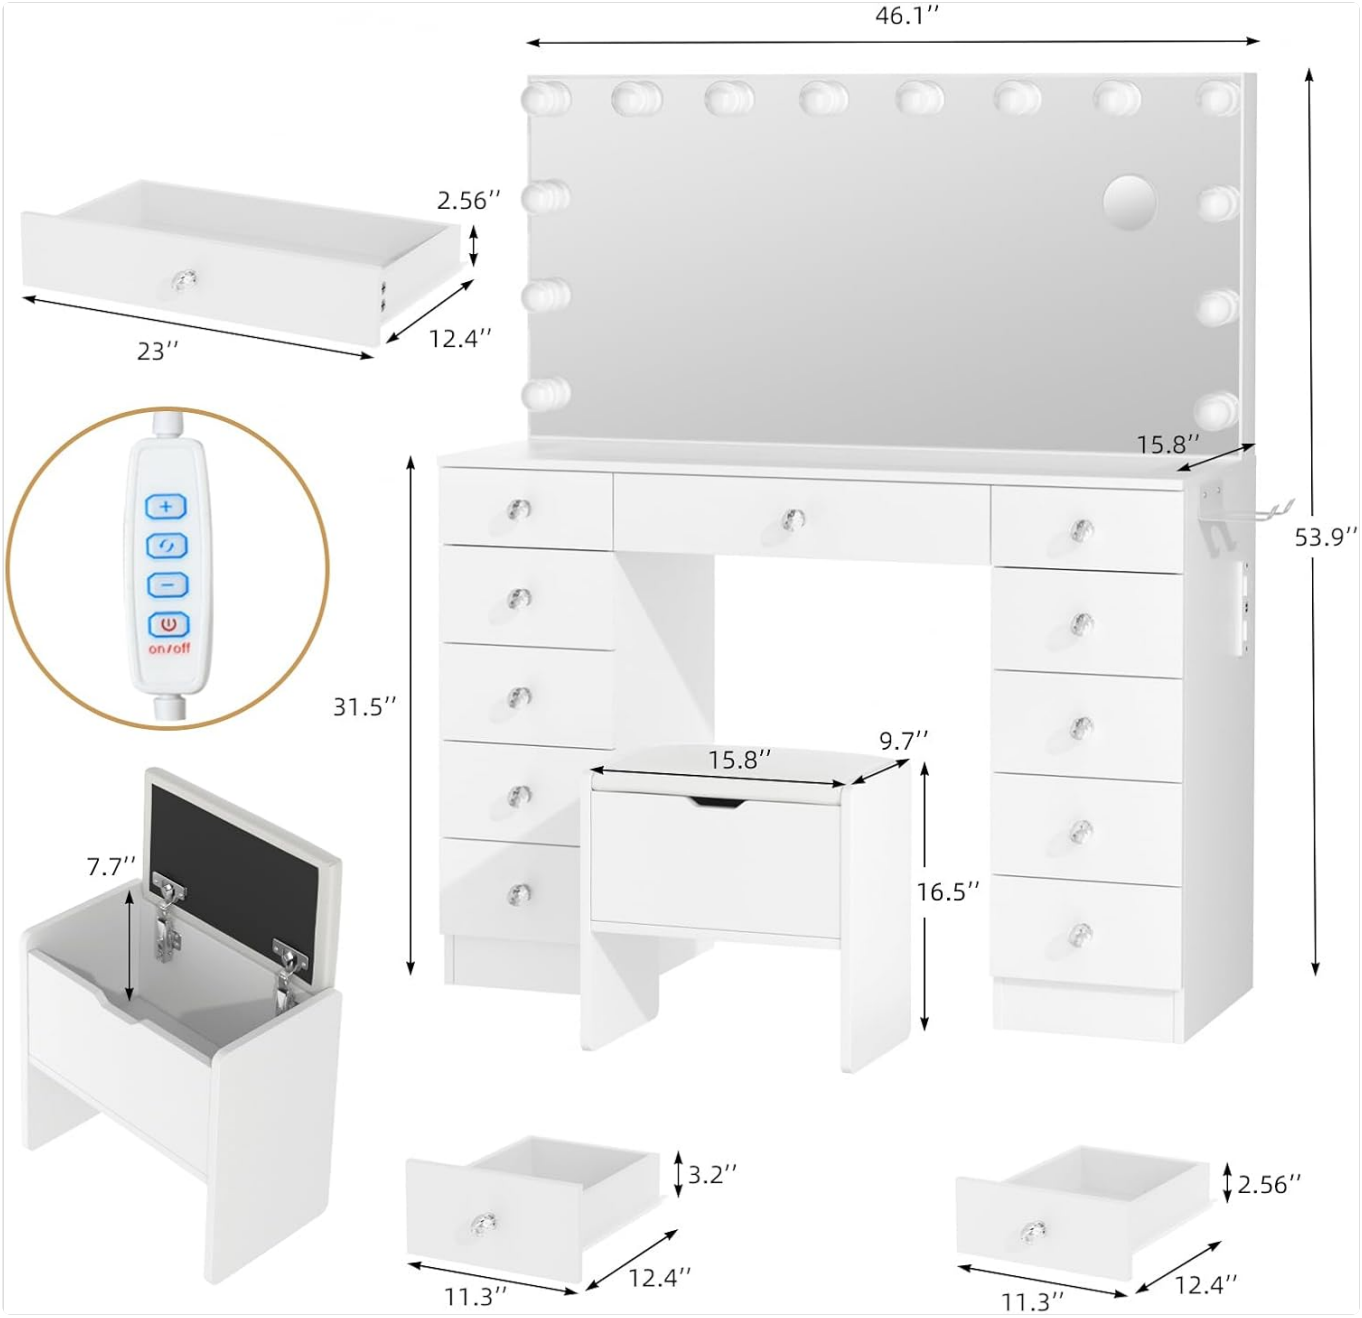

Figure 1: VOWNER Vanity Desk Dimensions. This diagram illustrates the overall measurements of the vanity desk, mirror, drawers, and stool, including depth, width, and height for each section.

Figure 2: Assembled Vanity Desk. This image displays the fully assembled vanity desk, highlighting the lighted mirror, numerous drawers, and the integrated power strip on the side.

Video 1: VOWNER Vanity Desk Assembly and Features Overview. This video provides a detailed guide on assembling the vanity desk and demonstrates its various features, including the lighted mirror and storage options.

Operating Instructions

Lighted Mirror

The integrated mirror features LED lighting with adjustable settings.

- **Power On/Off:** Use the touch sensor or inline controller to turn the lights on or off.
- **Color Temperature Modes:** Cycle through 3 color lighting modes (Warm White, Natural White, Cool White) by pressing the mode button on the controller or touching the sensor.
- **Adjust Brightness:** Adjust the brightness level by holding down the brightness button on the controller or the touch sensor until the desired intensity is reached.
- **Magnifying Mirror:** A movable 10X magnifying mirror is included for detailed makeup application. Position it as needed on the main mirror surface.

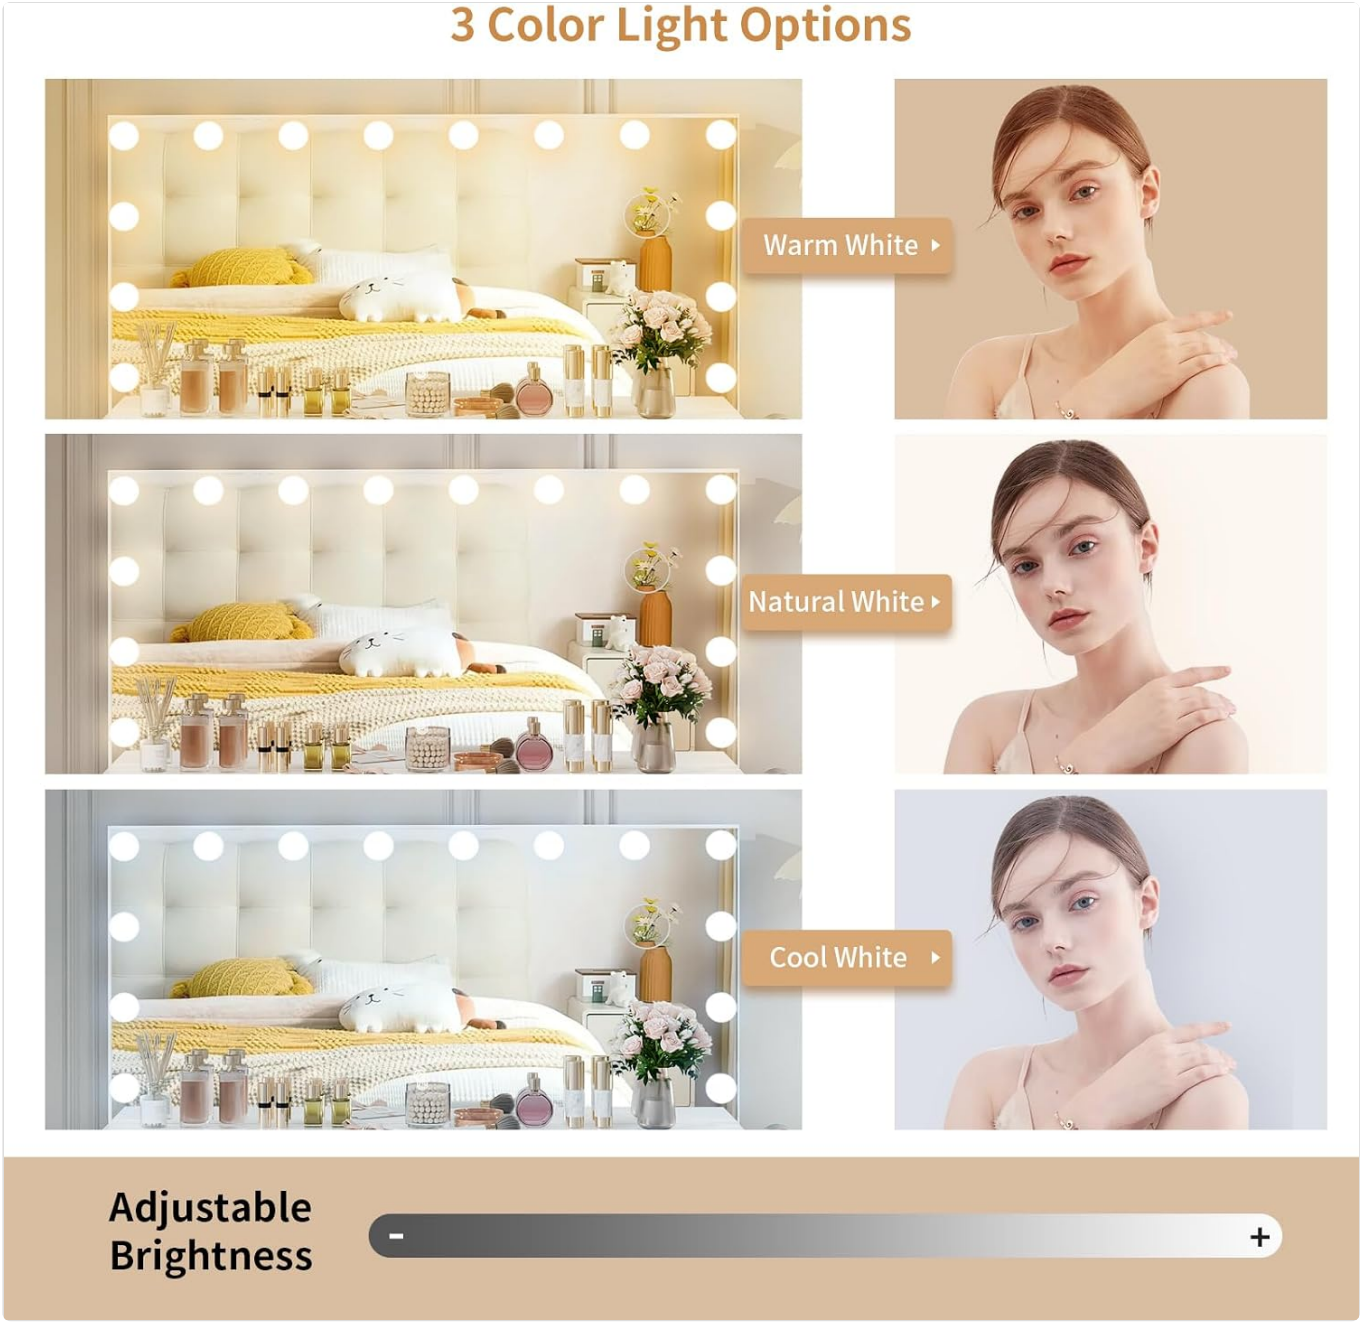

Figure 3: 3 Color Light Options. This image demonstrates the three distinct color temperature modes available for the mirror's LED lighting: Warm White, Natural White, and Cool White, along with an adjustable brightness slider.

Charging Station

The vanity desk includes a convenient charging station on the side.

- **Outlets:** Features 2 standard plug sockets for hair dryers, curling irons, or other beauty devices.
- **USB Ports:** Includes 2 USB ports for charging smartphones, tablets, or other USB-powered accessories.
- **Hair Dryer Holder:** A dedicated holder is provided for convenient storage of your hair dryer.

Figure 4: Integrated Charging Station. This image shows a close-up of the vanity's side, featuring the built-in power strip with two electrical outlets and two USB ports, along with a mounted holder for a hair dryer.

Storage

The vanity desk offers extensive storage solutions.

- **11 Drawers:** Utilize the numerous drawers for organizing makeup, skincare, accessories, and other personal items.
- **Desktop Space:** The spacious desktop provides ample room for frequently used items.
- **Stool Storage:** The cushioned stool features a lift-top lid, revealing additional hidden storage space.

Figure 5: Organized Top Drawer. This image provides a top-down view of one of the vanity's central drawers, showcasing its capacity to store and organize various makeup and beauty products.

Figure 6: Stool with Hidden Storage. This image shows the cushioned stool with its top lifted, revealing a convenient storage

compartment ideal for smaller items.

Maintenance

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood desktop.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Drawer Glides:** Periodically check drawer glides for smooth operation. If needed, clean any dust or debris.

Troubleshooting

If you encounter issues with your VOWNER Vanity Desk, refer to the following common solutions:

Problem	Possible Cause	Solution
Lights not turning on	Power cord not plugged in; loose connection; faulty bulb/controller.	Ensure power cord is securely plugged into both the vanity and the wall outlet. Check all connections. If problem persists, contact customer support.
Drawers stick or do not close properly	Improper assembly; obstruction in glide; overloaded drawer.	Verify drawers are installed correctly according to the assembly guide. Remove any obstructions. Reduce weight in the drawer.
Charging station not working	Power cord not plugged in; device not properly connected; circuit overload.	Check power cord connection. Ensure devices are fully plugged into outlets/USB ports. Avoid plugging in too many high-power devices simultaneously.
Vanity feels unstable	Loose fasteners; not anchored to wall.	Tighten all assembly fasteners. Ensure the vanity is securely anchored to the wall using the anti-tip kit.
