Mould King 15063

Mould King 911 Racing Car Building Set 15063 Instruction Manual

Introduction

Thank you for choosing the Mould King 911 Racing Car Building Set, model 15063. This 824-piece set allows you to construct a detailed replica of a classic 911 Targa racing car. Designed for enthusiasts aged 8 and up, this model features realistic stickers, a convertible design, and a functional pull-back mechanism for dynamic play. This manual provides essential information for assembly, operation, and care of your new building set.

Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not suitable for children under 3 years due to small parts that could be swallowed. Adult supervision is recommended during assembly for younger users.
Always keep building blocks away from infants and pets. Ensure all parts are securely connected to prevent detachment during play.

Package Contents

Your Mould King 911 Racing Car Building Set 15063 package should contain the following:

- 824 Building Block Pieces
- 1 Instruction Manual (this document)

Please check all contents upon opening the package. If any parts are missing, refer to the Customer Support section.

Setup: Assembly Instructions

Follow the step-by-step instructions provided in the included physical instruction manual to assemble your Mould King 911 Racing Car. The parts are individually packaged according to the assembly steps to simplify the process.

1. **Unpack Components:** Carefully open all bags containing the building blocks. Organize them by type or color if desired, but the sequential packaging should guide you.
2. **Follow Manual:** Refer to the detailed illustrations and instructions in the physical manual. Each step shows

which pieces to use and where to place them.

3. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.
4. **Apply Stickers:** Use the provided stickers to add realistic details as indicated in the manual.

Operating Instructions

The Mould King 911 Racing Car features a pull-back function for interactive play.

1. **Engage Pull-Back Mechanism:** Place the assembled car on a flat surface. Gently pull the car backward, applying slight pressure. You will feel the internal mechanism winding up.
2. **Release:** Release the car to watch it zoom forward. The further you pull it back, the faster and further it will travel.

Maintenance

To ensure the longevity and appearance of your Mould King 911 Racing Car model, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.

Troubleshooting

- **Missing Pieces:** If you discover any missing pieces during assembly, please contact Mould King customer service for replacement parts. Refer to the Customer Support section for contact information.

- **Assembly Difficulties:** If you encounter difficulties with a specific assembly step, re-examine the physical instruction manual carefully. Ensure all pieces are correctly oriented and fully connected. You may also refer to online community forums or video guides for additional assistance.
- **Pull-Back Function Not Working:** Ensure the pull-back mechanism is correctly assembled and not obstructed by any loose pieces. Pull the car back firmly but gently before releasing.
