MINISO HZ4030R-W-BB

MINISO Vanity Mirror with Lights User Manual

Model: HZ4030R-W-BB | Brand: MINISO

1. Introduction

This manual provides detailed instructions for the safe and effective use of your MINISO Vanity Mirror with Lights. Please read this manual thoroughly before operating the product and retain it for future reference.

Image 1.1: The MINISO Vanity Mirror with Lights, featuring its illuminated frame and sleek design.

2. Safety Information

- Ensure the mirror is placed on a stable, flat surface to prevent tipping.
- Keep the mirror away from water or other liquids to avoid electric shock.
- Do not attempt to disassemble or repair the mirror yourself. Contact qualified personnel for service.
- Unplug the power adapter during thunderstorms or when not in use for extended periods.
- Keep out of reach of children.
- The mirror surface is explosion-proof, designed to minimize sharp debris in case of breakage. However, handle with care.

3. Package Contents

Please check the package for the following items:

- MINISO Vanity Mirror with LED Lights (16" x 12")
- Detachable 10X Magnifying Mirror
- Mirror Base
- 12V 1A Power Adapter
- Assembly Screws and Hex Key

Image 3.1: Detailed view of the mirror's components, including the 12V 1A adapter and anti-slip base.

4. Product Features

- **High-Quality Construction:** Durable white aluminum alloy frame provides both style and longevity.
- **Advanced Touch-Control Lighting:** High-lumen LED bar with a 50,000-hour lifespan. Features intuitive touch control for power, color temperature, and brightness.

- **Three Color Temperatures:** Easily switch between warm, natural, and cool white light settings.
- **Stepless Brightness Adjustment:** Long press to adjust brightness from 10% to 100%.
- **Memory Function:** Recalls the last brightness setting for convenience.
- **Detachable 10X Magnifying Mirror:** Provides precision for detailed tasks. Attaches via suction cups.
- **360-Degree Rotation:** Allows for effortless angle adjustment and secure positioning.
- **Explosion-Proof Mirror Surface:** Shatterproof design minimizes risk of sharp debris in case of accidental impact.

5. Setup and Assembly

Follow these steps to assemble your MINISO Vanity Mirror:

1. Carefully unbox all components and ensure all parts listed in Section 3 are present.
2. Place the mirror face down on a soft, clean surface to protect the mirror surface.
3. Align the mirror stand with the slots on the base.
4. Secure the mirror stand to the base using the provided screws and hex key. Ensure all screws are tightened firmly.
5. Carefully lift the assembled mirror and place it upright on your desired vanity or table.
6. Connect the 12V 1A power adapter to the mirror's power input port and then plug it into a suitable electrical outlet.

Image 5.1: Visual guide for the easy installation process of the mirror base.

6. Operating Instructions

6.1 Power On/Off

Locate the touch sensor button on the lower center of the mirror surface. Tap the button once to turn the LED lights on or off.

6.2 Adjusting Light Color Temperature

With the lights on, short press the touch sensor button repeatedly to cycle through the three available color temperatures: warm white, natural white, and cool white.

Image 6.1: Demonstrates how to change the light color temperature by tapping the touch button.

6.3 Adjusting Brightness

With the lights on, long press the touch sensor button to steplessly adjust the brightness level from 10% to 100%. Release the button when the desired brightness is achieved. The mirror will remember your last brightness setting.

Image 6.2: Illustrates the adjustable brightness feature by long pressing the touch button.

6.4 Using the Detachable 10X Magnifying Mirror

The included 10X magnifying mirror can be attached to any part of the main mirror surface using its suction cups. For optimal viewing and to avoid distortion, position your face approximately 6-8 inches away from the magnifying mirror.

Image 6.3: Examples of precision tasks facilitated by the 10X magnifying mirror.

6.5 Adjusting Mirror Angle

The mirror can rotate smoothly 360 degrees on its stand. Gently tilt the mirror to achieve your desired viewing angle. The robust mechanism will hold it securely in place.

Image 6.4: Illustrates the mirror's dimensions and its 360-degree rotation feature.

7. Maintenance

To ensure the longevity and optimal performance of your mirror:

- **Cleaning the Mirror Surface:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the edges.
- **Cleaning the Frame and Base:** Wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use for extended periods, unplug the mirror and store it in a dry, dust-free environment.

8. Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Lights do not turn on.	No power connection.	Ensure the power adapter is securely plugged into the mirror and a working electrical outlet.
Lights flicker or are dim.	Loose connection or power issue.	Check all power connections. Try a different outlet. If the issue persists, contact customer support.
Touch control is unresponsive.	Temporary electronic glitch.	Unplug the mirror for 30 seconds, then plug it back in. Ensure your finger is clean and dry when touching the sensor.
Magnifying mirror does not stick.	Suction cups are dirty or dry.	Clean the suction cups and the main mirror surface. Slightly moisten the suction cups before applying.

9. Specifications

Feature	Detail
Brand	MINISO
Model Number	HZ4030R-W-BB
Product Dimensions	16"L x 12"W (40cm x 30cm)
Shape	Rectangular
Color	White
Mounting Type	Tabletop (with base)
Item Weight	7.54 pounds
Power Input	12V 1A Adapter (included)
LED Lifespan	Approx. 50,000 hours
Magnification	1X (main mirror), 10X (detachable magnifying mirror)

10. Warranty and Support

MINISO products are manufactured to high-quality standards. For warranty information or technical support, please refer to the warranty card included with your purchase or visit the official MINISO website. Please retain your proof of purchase for any warranty claims.
