Mould King Semi Truck Trailer Building Block with Forklift Instruction Manual

Model: AML-24079-0522

1. Introduction

Thank you for choosing the Mould King Semi Truck Trailer Building Block with Forklift. This set provides an engaging building experience with 906 pieces, designed for individuals aged 8 and up. This manual will guide you through the assembly, operation, and care of your model.

Safety Information

- **WARNING: CHOKING HAZARD – Small Parts.** Not for children under 3 years.
- Always supervise younger children during assembly and play.
- Keep all packaging materials away from children to prevent suffocation.
- Ensure all pieces are securely connected to prevent accidental detachment during play.

2. Parts List

Your Mould King Semi Truck Trailer Building Block with Forklift set includes:

- 906 assorted building block pieces
- 1 x Full-color, step-by-step instruction manual

Please verify that all pieces are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

3. Assembly Instructions

Follow the included full-color, step-by-step building guide for a straightforward and frustration-free assembly process. The manual breaks down each stage with clear images to ensure logical construction.

4. Operating the Model

Your Mould King Semi Truck Trailer and Forklift models are designed with interactive features for realistic play.

Forklift Operation

The forklift features movable parts that mimic a real forklift:

- **Lifting and Lowering:** The forks can be manually moved up and down to simulate lifting and lowering cargo.
- **Tilting:** The mast of the forklift can be tilted forward and backward for precise cargo handling.

5. Maintenance

To ensure the longevity and appearance of your Mould King building block model, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more thorough cleaning, gently wipe with a damp cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation. Keep it in a container or on a stable surface to avoid accidental damage.
- **Handling:** Handle the model with care to prevent pieces from detaching or breaking.

6. Troubleshooting

Missing Pieces

If you discover any missing pieces during assembly, please:

1. Double-check the packaging and surrounding area to ensure no small parts were overlooked.
2. Refer to the parts list in your instruction manual to confirm the missing piece.
3. Contact Mould King customer support with details of the missing part (part number if available, or a clear description).

Assembly Difficulties

If you encounter difficulties during assembly:

- Review the specific step in the instruction manual carefully, paying attention to the images.
- Ensure all previous steps were completed correctly.
- Sometimes, applying gentle, firm pressure is needed to connect pieces.
- If a piece seems incorrect, verify its shape and size against the manual's illustrations.
