THANK YOU FOR CHOOSING US!

We value your trust. We hope that you will be happy with our product, and as excited about it as we are. We try to offer products of the highest quality that satisfy even the most demanding requirements. If you are satisfied, it would make us very happy if you choose us again the next time you make a purchase.

SAFETY INFORMATION

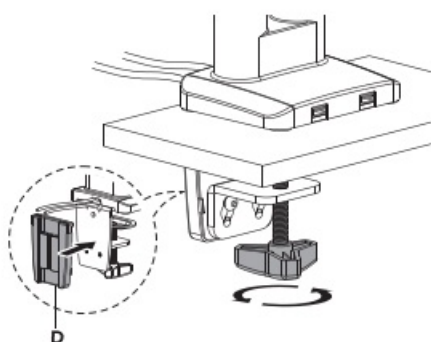

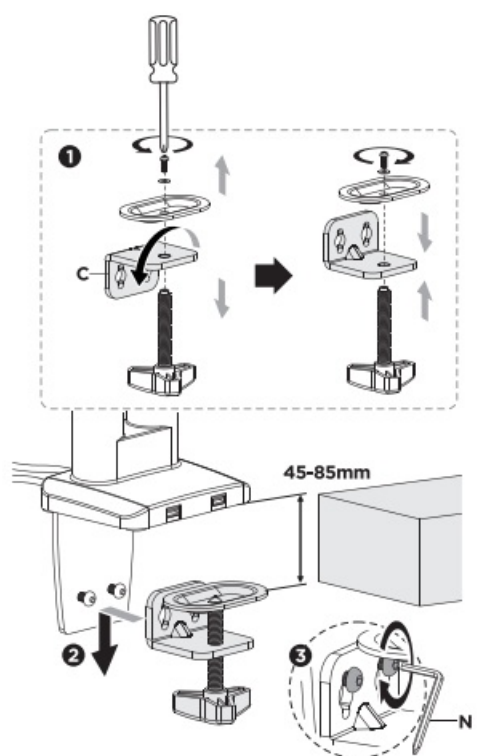

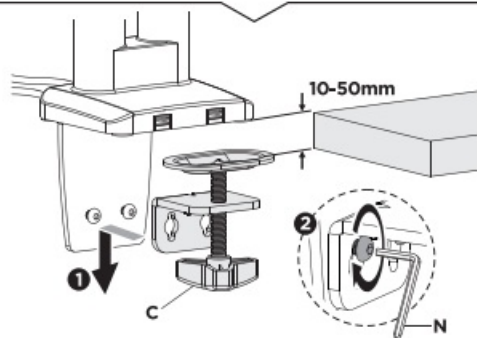

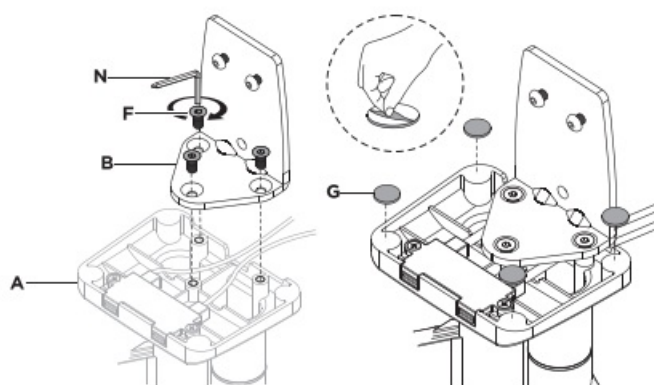

- Read this manual before starting the installation.
- Please make sure that the complete package has been delivered to you. If there happens to be something missing or damaged, contact the seller.
- Caution: Using this product with heavier weight than listed may result in damage or serious injury.
- The product must be installed as instructed. Failure to follow the instructions may result in damage or serious injury.
- Appropriate tools and safety aids must be used during installation. This product should only be installed by professionals.
- Make sure you install the product on a surface that can handle the combined weight of the product and the installed device with all of its components.
- Use the product only for its intended purpose.
- This product is not a toy. It may contain small parts. Keep out of the reach of children.
- This product is not recommended for use by children without supervision.
- This product is intended for indoor use only. Outdoor use may result in product damage or injury.
