SAFETY INFORMATION

- Read this manual before starting the installation.
- Please make sure that the complete package has been delivered to you. If there happens to be something missing or damaged, contact the seller.
- **Caution:** Using this product with heavier weight than listed may result in damage or serious injury.
- The product must be installed as instructed. Failure to follow the instructions may result in damage or serious injury.
- Appropriate tools and safety aids must be used during installation. This product should only be installed by professionals.
- Make sure you install the product on a surface that can handle the combined weight of the product and the installed device with all of its components.
- Use the product only for its intended purpose.
- This product is not a toy. It may contain small parts. Keep out of the reach of children.
- This product is not recommended for use by children without supervision.
- This product is intended for indoor use only. Outdoor use may result in product damage or injury.
- Store the product in a clean and dust-free environment
- Do not expose the product to high or low temperatures. Keep the product dry.
- Do not disassemble the product. Improper modifications can damage the product and cause serious injuries.
- **Caution:** Do not apply excessive force to tighten the screws in order to avoid tearing the thread.
- **Maintenance:** Check product safety at regular intervals (at least every 3 months).
