MINISO X8

MINISO X8 AI Translation Earbuds User Manual

Model: X8

1. Introduction

The MINISO X8 AI Translation Earbuds are designed to provide real-time language translation and high-quality audio. Featuring advanced AI technology and Bluetooth 5.4 connectivity, these earbuds facilitate communication across 135 languages and accents through a dedicated mobile application. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance.

2. Package Contents

Please verify that all items are present in your package:

- MINISO X8 AI Translation Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)

3. Initial Setup

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB charging cable to the charging port on the case and a compatible USB power source. The LED indicator on the case will show the charging status. A full charge typically takes approximately 1.5 hours.

3.2 Powering On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

3.3 Bluetooth Pairing

To connect the earbuds to your device:

1. Ensure the earbuds are charged and powered on.

2. Enable Bluetooth on your smartphone, tablet, or other compatible device.
3. Search for available Bluetooth devices and select "MINISO X8" from the list.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

4. App Installation and Connection

The full functionality of the MINISO X8 AI Translation Earbuds, especially the translation features, requires the companion application. You can download the 'Saymi' or 'EarJoy' app from your device's app store (iOS or Android).

1. **Download the App:** Search for 'Saymi' or 'EarJoy' in your smartphone's app store and install it.
2. **Connect Earbuds:** Ensure your earbuds are paired via Bluetooth to your phone.
3. **Launch App:** Open the 'Saymi' or 'EarJoy' app. The app will guide you through connecting to your MINISO X8 earbuds to enable all features, including translation.

5. Operating Modes

The MINISO X8 earbuds offer five distinct translation modes to suit various communication needs:

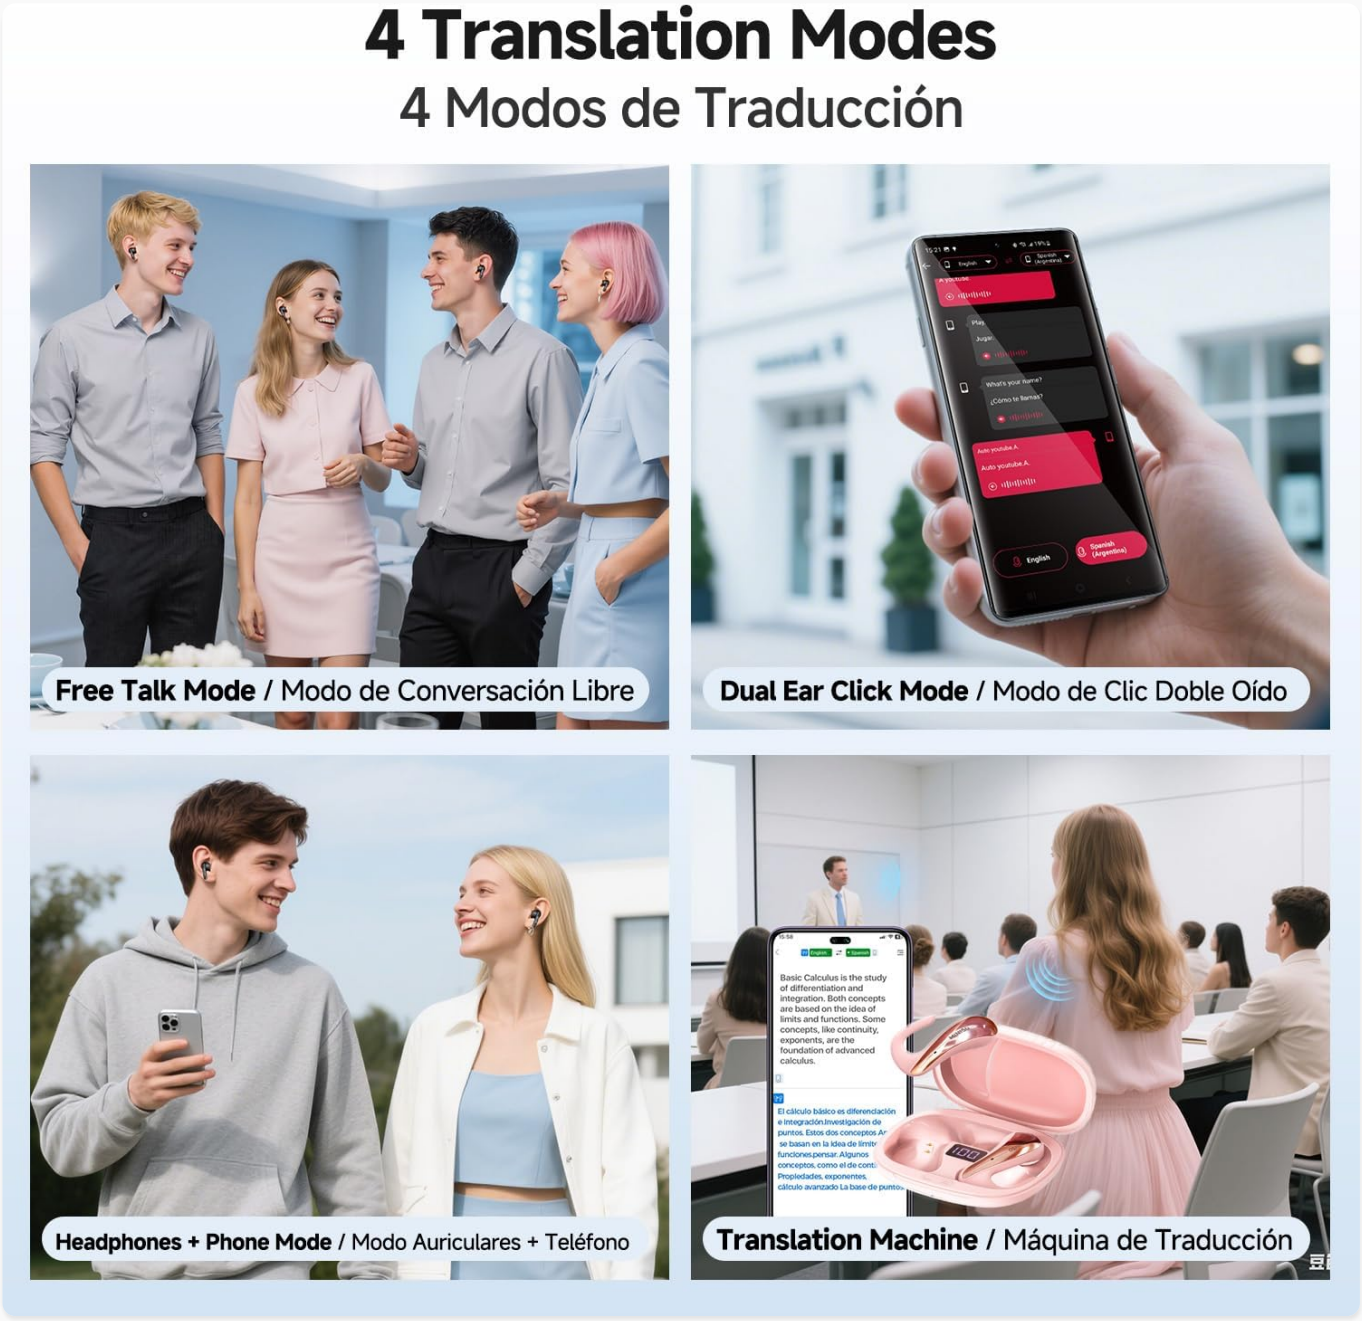

Image: Overview of the four primary translation modes.

5.1 AI Chat Mode

Engage in real-time conversations with an AI assistant. This mode allows you to ask questions and receive translated answers, acting as a personal voice consultant.

Image: Smartphone screen displaying the AI Chat Mode interface.

5.2 Free Talk Mode

Ideal for natural, flowing conversations between two or more people. The earbuds detect and translate speech in real-time, allowing for seamless cross-language dialogue.

5.3 Earbuds + Phone Mode (Face-to-Face Translation)

This mode is designed for direct, face-to-face interactions. One person wears the earbuds, and the other speaks into the smartphone. The earbuds translate the speech from the phone, and the phone translates the speech from the earbud wearer.

5.4 Translation Machine Mode

This mode is suitable for meetings, lectures, or daily conversations where you need to translate spoken language from a single source. It helps break down language barriers by providing continuous translation.

5.5 Dual-Ear Click Mode

This mode utilizes touch controls on the earbuds for initiating and managing translation, offering a convenient hands-free experience for quick translations.

5.6 Supported Languages

The MINISO X8 earbuds support real-time online translation for 135 languages and accents, including but not limited to Chinese, Czech, Dutch, English, French, German, Italian, Japanese, Korean, Portuguese, Russian, and Spanish.

6. Sleep Mode

The companion app includes a Sleep Mode feature with up to 42 different sleep sound effects. You can select your preferred ambient sounds to aid relaxation or sleep. This feature is accessible directly through the 'Saymi' or 'EarJoy' application.

7. Maintenance

7.1 Cleaning

Regularly clean your earbuds and charging case to maintain optimal performance and hygiene. Use a soft, dry, lint-free cloth. Do not use abrasive cleaners, solvents, or aerosol sprays. Avoid getting moisture into any openings.

7.2 Water Resistance

The MINISO X8 earbuds feature an IPX5 water resistance rating, protecting them from splashes, sweat, and light rain. They are not designed for submersion in water. Ensure the earbuds are dry before placing them back in the charging case.

7.3 Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.

8. Troubleshooting

If you encounter issues with your MINISO X8 earbuds, please refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged. Turn off and on your device's Bluetooth. Forget the device in your Bluetooth settings and try pairing again.
- **No sound:** Check the volume level on your connected device and the earbuds. Ensure the earbuds are properly seated in your ears.
- **Translation not working:** Verify that the earbuds are connected to the 'Saymi' or 'EarJoy' app and that you have an active internet connection. Check language settings within the app.
- **Charging issues:** Ensure the charging cable is securely connected to both the case and the power source. Clean the charging contacts on the earbuds and inside the case.
- **App connectivity problems:** Close and restart the app. Ensure your phone's operating system is up to date.

If problems persist, consult the app's help section or contact customer support.

9. Specifications

Feature	Detail
