6. Maintenance

Proper care and maintenance will ensure the longevity and appearance of your Garvee patio furniture set.

- **Cleaning Wicker and Frame:** Wipe down the PE rattan wicker and steel frame with a soft cloth dampened with mild soap and water. Rinse thoroughly with clean water and dry completely to prevent water spots or rust.
- **Cleaning Cushions:** The cushions are made with waterproof fabric. For minor spills, blot immediately with a clean cloth. For deeper cleaning, remove cushion covers (if applicable) and hand wash with mild soap and water, or spot clean. Allow to air dry completely before reattaching.
- **Glass Top Care:** Clean the glass tabletop with a glass cleaner and a soft, lint-free cloth. Avoid abrasive cleaners or scouring pads that could scratch the surface.
- **Seasonal Storage:** During off-season or periods of harsh weather, it is recommended to cover the furniture with a protective cover or store it in a dry, sheltered area. Store cushions indoors to protect them from moisture and prolonged sun exposure.
- **Regular Inspection:** Periodically inspect all bolts and connections. Tighten any loose hardware to maintain structural integrity.

7. Troubleshooting

If you encounter any issues with your furniture set, refer to the following common solutions:

Problem	Possible Cause	Solution
Furniture feels wobbly or unstable.	Loose bolts or uneven surface.	Check and tighten all assembly bolts. Ensure the furniture is placed on a flat, level surface. Use the adjustable feet on the chairs if available to compensate for minor unevenness.
Cushions slide off chairs.	Cushions not secured.	Utilize the fixed ropes on the cushions to tie them securely to the chair frame.
Glass tabletop moves or rattles.	Improper placement or missing suction cups/spacers.	Ensure the glass top is correctly seated in the table frame. If applicable, verify that any rubber spacers or suction cups are in place to secure the glass.

Problem	Possible Cause	Solution
Minor scratches or scuffs on frame.	Normal wear and tear.	For minor scratches on the steel frame, touch-up paint matching the frame color can be used.

If you experience issues not covered here or require further assistance, please contact Garvee customer support.
