Urban Ladder Aruba King Size Hydraulic Storage Bed Instruction Manual

Model: FNBDST43WA35176 | Brand: Urban Ladder

1. Introduction

Thank you for choosing the Urban Ladder Aruba King Size Hydraulic Storage Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed. Please read these instructions carefully before beginning assembly and retain them for future reference.

Image 1.1: The Urban Ladder Aruba King Size Hydraulic Storage Bed, showcasing its classic walnut finish and integrated design.

The Aruba hydraulic bed combines style with practicality, featuring a dual-tone headboard and ample storage space underneath the mattress. It is constructed from engineered wood, designed for durability and stability.

2. Safety Information

- **Read all instructions:** Ensure you understand all assembly and operating instructions before use.
- **Adult assembly required:** This product requires adult assembly. Keep children and pets away during assembly.
- **Use correct tools:** Ensure all necessary tools are available and used correctly.
- **Check all fasteners:** Regularly check and tighten all screws and bolts to ensure stability.
- **Weight limits:** Do not exceed the maximum weight recommendation for the bed frame and storage area.
- **Hydraulic mechanism:** Exercise caution when operating the hydraulic lift. Keep hands and fingers clear of moving parts to prevent injury.
- **Avoid overloading storage:** Distribute weight evenly in the storage compartment and do not overload it.

- **Stable surface:** Assemble and place the bed on a flat, stable surface.

3. Package Contents

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard components
- Side rails and footboard
- Hydraulic lift mechanism
- Storage base panels
- Mattress support frame
- Assembly hardware (screws, bolts, washers, Allen key)
- Instruction manual

4. Assembly Instructions

Assembly of the Urban Ladder Aruba King Size Hydraulic Storage Bed is required. It is recommended that two adults perform the assembly. Please follow the steps below carefully.

1. **Prepare the area:** Clear a spacious area for assembly. Lay out all components on a soft, clean surface to prevent scratches.
2. **Assemble the headboard:** Attach the headboard panels together using the provided hardware. Ensure all connections are secure.
3. **Connect side rails and footboard:** Attach the side rails to the headboard and then connect the footboard to the side rails. Do not fully tighten all bolts until the frame is squared.
4. **Install hydraulic mechanism:** Secure the hydraulic lift mechanism to the bed frame according to the detailed diagrams in the included assembly guide. Ensure the mechanism is correctly oriented.
5. **Place storage base panels:** Insert the storage base panels into the designated slots within the bed frame.
6. **Attach mattress support frame:** Secure the mattress support frame to the hydraulic mechanism. Ensure it can lift and lower smoothly without obstruction.
7. **Final tightening:** Once the entire frame is assembled and squared, fully tighten all screws and bolts.

Image 4.1: The bed frame fully assembled, ready for mattress placement.

5. Operating Hydraulic Storage

The Aruba bed features an easy-to-use hydraulic lift mechanism for accessing under-bed storage.

1. **Clear the bed:** Remove any heavy items or bedding from the mattress surface before lifting.
2. **Locate pull handle:** Find the fabric pull handle typically located at the foot end of the mattress support frame.
3. **Lift the mattress:** Firmly grasp the handle and lift the mattress support frame upwards. The hydraulic mechanism will assist in lifting and holding the frame in the open position.
4. **Access storage:** Place or retrieve items from the spacious under-bed storage compartment.
5. **Lower the mattress:** To close, firmly pull the mattress support frame downwards. The hydraulic mechanism will smoothly guide it back into the closed position. Ensure it latches securely.

6. Care and Maintenance

Proper care will extend the life and appearance of your Urban Ladder Aruba bed.

General Care:

- **Cleaning:** Wipe surfaces with a soft, dry cloth. For stubborn marks, use a slightly damp cloth and immediately dry with a clean cloth.
- **Avoid direct sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the wood finish.
- **Avoid moisture:** Do not spray water directly onto the bed. Clean up spills immediately.
- **Protect surfaces:** Use coasters or mats under items placed on the headboard or frame to prevent scratches.
- **Regular checks:** Periodically inspect all hardware and tighten any loose screws or bolts.

Hydraulic Mechanism Care:

- Keep the hydraulic mechanism free from dust and debris.

- Do not apply excessive force when lifting or lowering; allow the hydraulics to do the work.
- Do not attempt to lubricate the hydraulic cylinders unless specifically instructed by a professional.

Do's and Don'ts:

- **DO:** Tighten screws regularly.
- **DO:** Use mattress protectors.
- **DO:** Lift, don't drag the bed when moving.
- **DON'T:** Overload storage.
- **DON'T:** Avoid sharp impacts.
- **DON'T:** Spray water directly on the bed.

7. Troubleshooting

This section addresses common issues you might encounter with your bed.

- **Squeaking noises:**
  Solution: Check all assembly bolts and screws. Tighten any that are loose. Ensure the bed is on a level surface.
- **Hydraulic lift not working smoothly:**
  Solution: Ensure no items are obstructing the mechanism. Check if the mattress is too heavy or too light for the installed hydraulics (though this is rare for standard mattresses). Contact customer support if the issue persists.
- **Bed feels unstable:**
  Solution: Re-check all connections and ensure they are fully tightened. Verify that the bed is placed on a flat and even floor.

8. Product Specifications

Feature	Specification
Brand	Urban Ladder
Model Number	FNBDST43WA35176
Style	Contemporary
Size	King Size
Colour	Walnut
Product Dimensions (L x W x H)	187L x 203W x 88H Centimeters
Material	Engineered Wood
Finish Type	Polished
Included Components	Hydraulic Storage
Item Weight	53000 Grams
Maximum Weight Recommendation	53000 Grams
Assembly Required	Yes

9. Warranty Information

This Urban Ladder Aruba King Size Hydraulic Storage Bed comes with a**Limited Warranty**. For specific terms and conditions of the warranty, please refer to the warranty card included with your product or contact Urban Ladder customer support.
