Millionspring F-C10147

Millionspring Happy Burgers House Building Set Instruction Manual

Model: F-C10147

Introduction

Thank you for purchasing the Millionspring Happy Burgers House Building Set. This set allows you to construct a detailed two-story building, featuring a burger restaurant on the first floor and a living area on the second. Designed for enthusiasts aged 8 and above, this manual provides clear, step-by-step instructions to ensure an enjoyable building experience.

Important Safety Information

- **Small Parts Warning:** This set contains small parts and is not suitable for children under 3 years due to choking hazards.
- **Heat Warning:** Keep all building blocks away from naked flames or direct heat sources to prevent damage or melting.
- **Adult Supervision:** Adult supervision is recommended during assembly for younger builders.

Package Contents

Before beginning assembly, please verify that all components are present:

- 1018 x Building Blocks (various shapes and colors)
- 1 x Color-Printed Instruction Manual

- Separately-packaged block bags (organized by assembly step)

Figure 2: Overview of the building blocks and the instruction manual, ready for assembly.

Assembly Instructions

Follow the color-printed manual provided in the box. The blocks are organized into separately-packaged bags to simplify the building process. Each step in the manual corresponds to a specific set of blocks.

1. **Unpack and Organize:** Open the box and lay out the individually packaged block bags. Do not open all bags at once; open them as instructed by the manual.
2. **Follow the Manual:** Refer to the color-printed instruction manual for detailed, step-by-step visual guides. Each step will show which blocks to use and where to place them.
3. **First Floor Construction (Restaurant):** Begin by constructing the base and the first floor, which houses the "Happy Burger" restaurant. This includes the kitchen, ordering counter, and dining area.
4. **Second Floor Construction (Living Area):** Proceed to build the second floor, which features a living room and a bedroom.
5. **Detailing:** Add smaller details such as the exterior sign, trees, and interior furniture as indicated in the manual.

Figure 4: Close-up of the first-floor restaurant interior, highlighting the kitchen, ordering counter, and dining area details.

Figure 5: The building features an opening side wall for easy access to the interior spaces.

Operating Instructions

This building set is designed for display and imaginative play. The two-story structure allows for interaction with both the restaurant and living areas.

- **Accessing Interiors:** The building features an open back design and a hinged side wall (as shown in Figure 5) to allow easy access to the interior rooms for play or display adjustments.
- **Movable Elements:** Some elements, such as the door and certain furniture pieces, may be movable or detachable for enhanced playability.

Care and Maintenance

- **Cleaning:** To clean the building blocks, gently wipe them with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or loose blocks in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Disassembly:** If disassembling, keep all pieces organized to facilitate future reassembly.

Troubleshooting

Problem	Possible Cause	Solution
Missing parts	Manufacturing error or lost during unpacking.	Contact Millionspring customer service for replacement parts.
Blocks not fitting together	Incorrect orientation or incompatible blocks.	Double-check the instruction manual for correct placement and ensure you are using the right blocks for the step.
Assembled structure is unstable	Blocks not fully pressed together or a step was missed.	Ensure all blocks are firmly connected. Review previous steps in the manual to confirm no steps were overlooked.

Product Specifications

- **Brand:** Millionspring
- **Model Number:** F-C10147
- **Set Name:** Happy Burgers House Building Set
- **Number of Pieces:** 1018
- **Material:** Acrylonitrile Butadiene Styrene (ABS)
- **Assembled Dimensions (L x W x H):** 8.7" x 9.45" x 3.35" (22.1 cm x 24 cm x 8.5 cm)
- **Item Weight:** 1.36 Kilograms
- **Recommended Age:** 8+ years (Manufacturer Minimum Age: 72 months)
- **Assembly Required:** Yes
