Garvee 13.2 Gallon (50L) Metal Kitchen Trash Can Instruction Manual

Model: B0FHL3N8G7

Introduction

This manual provides instructions for the Garvee 13.2 Gallon (50L) Metal Kitchen Trash Can. This product is designed for efficient waste management in various home environments, featuring a durable, rustproof construction and user-friendly operation.

Image: The Garvee 13.2 Gallon Metal Kitchen Trash Can positioned next to a kitchen island, showcasing its sleek design and compact footprint.

Key features include a soft-close lid, a convenient step-on pedal for hands-free operation, a removable inner bucket, and a liner ring to secure trash bags. Its powder-coated metal shell is fingerprint-resistant and designed for longevity.

Setup

1. **Unpacking:** Carefully remove all components from the packaging. Ensure all parts are present: the outer metal can,

the inner bucket, and the lid assembly.

2. **Inner Bucket Placement:** Place the removable inner bucket inside the main metal can. Ensure it sits securely at the bottom.
3. **Liner Bag Installation:**
   - Select a standard 13-gallon trash bag.
   - Drape the trash bag over the rim of the inner bucket.
   - Utilize the custom liner ring to grip the bag, preventing slips, bunching, or overhang.

Operating Instructions

1. **Step-On Pedal Operation:**
   - To open the lid, gently press down on the foot pedal located at the base of the can.
   - The lid will open smoothly, allowing hands-free disposal of waste.
2. **Soft-Close Lid:**
   - Upon releasing the pedal, the lid will close softly and silently, preventing slamming and extending product life.
3. **Stay-Open Feature:**
   - For extended use, such as during meal preparation, press the pedal to open the lid to 80°, then manually push the lid further back to lock it at 95° for a hands-free stay-open position.
   - To close, gently push the lid forward from the 95° position.

Maintenance

- **Cleaning the Exterior:**

- The powder-coated metal exterior is fingerprint-resistant. Wipe clean with a soft, damp cloth and mild soap.
- Avoid abrasive cleaners or scouring pads, as these can damage the finish.

- **Cleaning the Inner Bucket:**
  - Remove the inner bucket from the can.
  - Wash with warm, soapy water. Rinse thoroughly and dry completely before returning it to the can.
  - The polypropylene material resists stains and odors, making cleaning simple.

Troubleshooting

Problem	Possible Cause	Solution
Lid does not close softly.	Mechanism obstruction or wear.	Check for any debris obstructing the lid's closing path. Ensure the hinge mechanism is clean. If the issue persists, contact customer support.
Trash bag slips into the can.	Improper bag installation or incorrect bag size.	Ensure you are using standard 13-gallon bags. Verify the bag is properly secured by the liner ring around the inner bucket.
Odor persists despite lid being closed.	Inner bucket or lid requires cleaning.	Thoroughly clean the inner bucket and the underside of the lid. Consider using odor-absorbing products if necessary.

Specifications

Feature	Detail
Brand	Garvee
Model Number	B0FHL3N8G7
Capacity	13.2 Gallons (50 Liters)
Dimensions (L x W x H)	16.73" x 14.65" x 25.98" (closed) 16.73" x 14.65" x 35.43" (lid fully open)
