Amazon Basics FG-03445 A19 LED Light Bulbs

Launch Date: March 5, 2019

Price: \$12.99

Introduction

The Amazon Basics FG-03445 A19 LED Light Bulbs are a very green way to light your home. They use less energy than a 60-watt incandescent bulb but are just as bright. The soft white 2700K color temperature of these 9-watt LED lights makes any room feel warm and welcoming. They don't need to be replaced as often because they last 10,000 hours. This makes them an eco-friendly and cost-effective choice. The Amazon Basics FG-03445 bulbs work well in a lot of different places, like ceiling fans, chandeliers, and other general lighting devices. With an E26 base, they are easy to install and give off light right away without flickering, so they can be used in many home or office settings. Also, these bulbs don't contain mercury or other dangerous chemicals, making them a better choice for your home.

- **Bulb Shape Size:** A19
- **Bulb Base:** E26 Medium

- **Incandescent Equivalent Wattage:** 60 watts
- **Specific Uses:** Ceiling fan, chandelier, decoration
- **Light Color:** Soft White
- **Voltage:** 120 Volts
- **Unit Count:** 2 bulbs
- **Color Temperature:** 2700 Kelvin
- **Brightness:** 800 Lumens
- **Material:** Plastic
- **Model Name:** B07JLZN1RM
- **Connectivity Technology:** Normal bulb
- **Indoor/Outdoor Usage:** Indoor and outdoor
- **Controller Type:** Push button
- **Included Components:** 2 LED light bulbs
- **Power Source:** AC
- **Color Rendering Index:** 80
- **Power Consumption:** 9 watts
- **Item Weight:** 0.07 pounds
- **Product Dimensions:** 2.37" W x 4.13" H
- **Average Life:** 10,000 hours
- **Efficiency:** 89 lumens per watt
- **Global Trade Identification Number:** 00819261023778
- **UPC:** 819261023778
- **Part Number:** FG-03445
- **Warranty Description:** 1-year limited warranty
- **Country of Origin:** China

Package Includes

- 4 x Amazon Basics FG-03445 A19 LED Light Bulbs
- Instruction manual for safe installation and use

Features

- **Energy-Efficient:** The Amazon Basics FG-03445 A19 LED Light Bulbs only use 9 watts of power but are as bright as a 60W incandescent bulb. This means they use up to 85% less energy than regular bulbs. If you use these bulbs for three hours a day, they can save you up to \$55.87 in energy costs over 10 years.
- **Long Lifespan:** These LED lights are made to last up to 15,000 hours, so they will work well for years. With a lifespan of over 9 years (based on daily use of 3 hours), you'll save money in the long run by not having to replace it as often.
- **Soft White Light:** With a color temperature of 2700K, these bulbs give off soft white light that makes the room feel nice and inviting. They add comfort to any room and are great for living rooms, bedrooms, kitchens, and workplaces.

- **Instant-On:** The Amazon Basics FG-03445 A19 LED Light Bulbs switch on right away and are fully bright. There is no dimming or waiting for them to warm up. As soon as you flip the switch, the bulb is fully on, giving you steady light right away.
- **Eco-Friendly:** These LED bulbs are good for the environment because they don't contain mercury or other harmful chemicals. This means that you won't have to change them as often, which will cut down on waste and the damage your lighting does to the environment.
- **Durable Construction:** These bulbs are made from high-quality plastic and metal, so they will last longer and let out more heat. This sturdy design helps them last longer and makes sure they work well over time.
- **Value for money:** Amazon Basics FG-03445 A19 LED Light Bulbs are a great way to light up your home without spending a lot of money. Because these LED bulbs use less energy and last longer, switching to them can help you save a lot of money on your power bill.
- **Standard Fit:** These lights have an E26 standard base, which means they can be used with most home fixtures, like table lamps, ceiling fans, and overhead lighting. This makes installation easy and quick.
- **Excellent Ambiance:** These bulbs give off a soft white light that makes any room feel warm and cozy, ideal for working, resting, or having guests over.
- **Sustainable Choice:** If you switch to Amazon Basics FG-03445 A19 LED Light Bulbs, you help protect the earth by using less energy, making less trash, and leaving less of a carbon footprint. This pick that is good for the environment helps both you and the planet.

Dimension

Usage

The Amazon Basics FG-03445 A19 LED Light Bulbs are designed for use in standard household light fixtures, such as:

- Table lamps
- Floor lamps
- Ceiling lights
- Wall sconces
- Pendant lights These bulbs are perfect for general-purpose lighting in bedrooms, living rooms, kitchens, bathrooms, offices, and hallways. The 2700K soft white light is ideal for creating a warm and inviting atmosphere in your living space.

Care and Maintenance

- **Turning Off:** Always turn off the light before replacing the bulb to avoid electrical hazards.
- **Cleaning:** Clean the bulb with a soft, dry cloth to remove dust. Do not use abrasive cleaners or water.
- **Avoid Touching:** When installing or removing the bulb, avoid touching the glass part directly, as the oils from your hands can reduce the lifespan of the bulb.
- **Storage:** If you need to store the bulbs before use, keep them in a dry, cool place to maintain optimal performance.

Troubleshooting

Bulb Not Turning On:

- Ensure that the bulb is properly screwed into the socket.
- Check if the power source is functioning correctly.
- Make sure the light switch is in the “on” position.

- If the bulb still doesn't work, try replacing it with another bulb to rule out any issues with the fixture or wiring.

Flickering or Buzzing:

- These bulbs are not designed to be used with dimmer switches. If you're using them with a dimmer, replace the dimmer switch with a standard one.
- Ensure the bulb is securely installed and that the fixture is free from loose connections.

Bulb Burning Out Quickly:

- Check the wattage compatibility of the bulb with your fixture.
- Make sure the fixture is not overloaded with high-wattage bulbs.
- If using in a high-temperature environment, ensure proper ventilation for better heat dissipation.

Pros and Cons

Pros	Cons
Energy-efficient, saving on bills	Non-dimmable feature
Long lifespan reduces replacement need	Limited color temperature options
Easy installation	Not suitable for enclosed fixtures

Warranty

The Amazon Basics A19 LED Light Bulb comes with a standard one-year limited warranty. Extended warranty options may be available for purchase. Always retain your receipt for warranty claims.

FAQs
