## Shredder Sharpening and Lubricant Sheet

### Important Safety Instructions

#### **DANGER: Risk of suffocation!**

Keep any packaging materials away from children these materials are a potential source of danger, e.g. suffocation.

#### **CAUTION: Risk of injury!**

Avoid contact with hands or eyes. Wash with water immediately in case of lubricant spilling on the hands or eyes.

### INSTRUCTIONS

- Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.
- Do not insert the product folded into the paper shredder.
- Keep fingers away from the opening when shredding.
- Do not puncture or tear the product to avoid mess.
- This is not a toy. Keep away from the reach of children.

### Intended Use

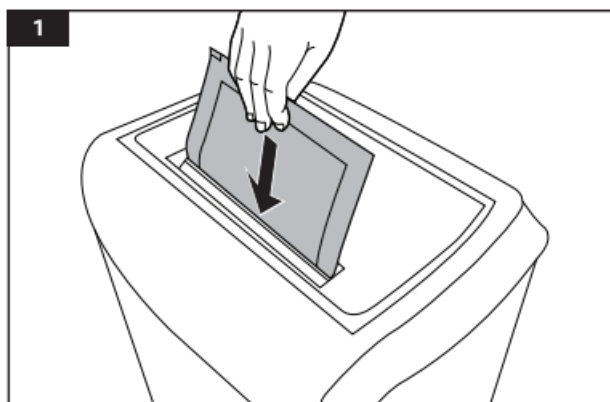

- This product is intended for lubricating shredding machine blades only keeping them sharp, prevent paper jams and reduce static buildup.
- This product is intended to be compatible to general models of paper shredding machines.
- Use this product twice a month or after 30 minutes of continuous use of the shredder to lubricate the blades.

### Use

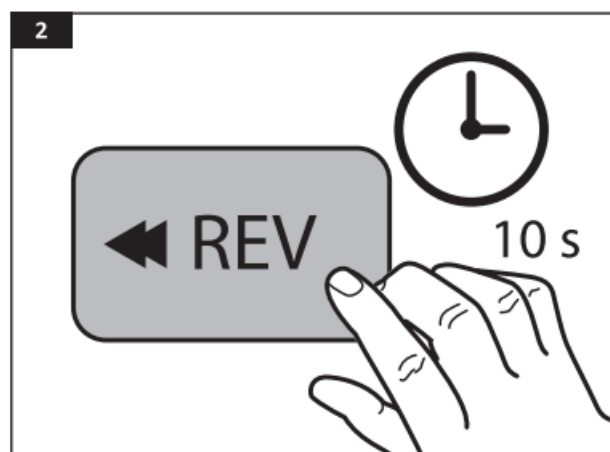

## NOTICE

- Do not open or tear the product prior to use.
- The product should be fed to the shredders one at a time.

1. Feed the product to the shredder like normal paper (Fig. 1).

2. Once the product has completely run through the shredder blades, run the shredder in reverse mode for 10 seconds (Fig. 2).

## Storage

Store in a cool and dry place away from children and pets, ideally in original packaging.

## Disposal

Dispose of the product according to local regulations. If in doubt, consult your local authorities.
