- Follow all safety instructions in order to prevent damage and injury caused by incorrect use.
- Keep the user manual for further use.
- This product must be assembled by an adult.
- Keep children and pets away while assembling the product.
- Ensure there is appropriate space for the use of the product.
- If the assembly of the product results to a lying height of 600 mm at a swing of 15° during use, ensure that the ground below has a shock-absorbing feature.
- Do not use the product if it is damaged or defective. In this case, contact Customer Service.
- The product should be set up soundly and stably before use.
- Always use the product on a flat and stable surface, free from the possibility of tilting and falling.
- Never use accessories which are not recommended by the manufacturer. They could pose a safety risk to the user and might damage the product.
- To avoid scratching the floor, assemble the product on a soft surface such as a carpet.
- After assembling the product according to the instructions, make sure that all screws, bolts and nuts are installed correctly and tightened.
- Regularly check if all screw connections and hooks are tight, and the hammock bed is securely tied to the hooks.
- Screws and joints should be re-tightened regularly.
- Do not let children play with the product.
- Children should be supervised while using the product.
- Do not use the product as a swing.
- Keep the product away from open flames.
- Be careful not to cut or pierce the hammock bed.
- Load the product evenly to prevent it from falling.
- Always place your weight on the hammock bed between the two base legs. Do not sit past the base legs.
- Not suitable for children under 8 years.

CAUTION

Do not overload the product. It may collapse if overloaded. The maximum loading capacity is 400 lbs (181.4 kg).

Cleaning and Maintenance

- Wipe the stand with a slightly damp cloth to remove the dust and dirt.
- Avoid contact with corrosive substances like acids.

Environmental Protection

Dispose of by recycling.
