ENJBRICK Gothic Black and Red Roses Building Set Instruction Manual

Brand: ENJBRICK | Model: B0FP97G1BC

Introduction

This instruction manual provides detailed guidance for assembling and caring for your ENJBRICK Gothic Black and Red Roses Building Set. This creative construction kit allows you to build a unique floral display featuring 7 black roses, 2 red roses, and 3 stems of black baby's breath. The assembled bouquet offers a distinctive aesthetic suitable for various indoor decor settings.

Safety Information

- **CHOKING HAZARD:** This product contains small parts and is not suitable for children under 3 years of age. Keep all components away from small children to prevent accidental ingestion.
- Ensure all parts are securely connected during assembly to prevent detachment.
- Do not expose the building set to extreme temperatures or direct sunlight for prolonged periods, as this may cause material degradation or discoloration.

What's in the Box

Your ENJBRICK Gothic Black and Red Roses Building Set includes the following components:

- Building blocks for 7 black roses
- Building blocks for 2 red roses
- Building blocks for 3 stems of black baby's breath
- Instruction Manual (this document)

Please verify all components are present before beginning assembly. If any parts are missing, refer to the Troubleshooting section.

Setup: Assembly Instructions

Follow these steps to assemble your ENJBRICK Gothic Black and Red Roses Building Set. A clear manual is included in the box to guide you through the process.

1. **Unpack Components:** Carefully remove all building blocks from their packaging. Organize them by color and type to

facilitate easier assembly.

2. **Assemble Individual Rose Heads:** Begin by constructing the petals and central core for each black and red rose. Refer to the detailed diagrams in your included instruction manual for specific connections.
3. **Assemble Baby's Breath Stems:** Construct the three stems of black baby's breath according to the manual.
4. **Attach Flowers to Stems:** Connect the assembled rose heads and baby's breath clusters to the green stem pieces. Ensure a secure fit for each component.
5. **Adjust Stem Length:** The stems are designed to be adjustable. Connect multiple stem pieces to achieve the desired length for your bouquet, typically around 12 inches as shown in the diagram.

Operating & Display

Once assembled, your ENJBRICK Gothic Black and Red Roses Building Set is ready for display. These artificial flowers offer everlasting beauty without the need for watering or sunlight.

- **Arrangement:** You can arrange all 12 stems together for a full, lush bouquet, or separate them to add individual gothic touches to different areas of your home or office.
- **Placement:** Ideal for aesthetic room decor, gothic-themed offices, modern home centerpieces, vanities, bookshelves, or coffee tables.
- **Vase Compatibility:** The stems are designed to fit into standard vases (vase not included).

Maintenance

This building set is designed for low maintenance. To keep your roses looking their best:

- **Cleaning:** Gently dust the flowers and stems with a soft, dry cloth or a soft brush as needed to remove accumulated dust.
- **Avoid Liquids:** Do not use water or chemical cleaners, as these may damage the plastic components or affect their finish.

Troubleshooting

- **Missing Pieces:** If you find any pieces missing from your set, please contact ENJBRICK customer support for assistance. Provide your model number (B0FP97G1BC) and a description of the missing parts.
- **Difficulty Assembling:** If pieces do not fit together easily, double-check the instruction manual to ensure correct orientation and placement. Avoid forcing pieces, as this may cause damage.
- **Loose Connections:** Ensure all connections are firm. If a piece feels loose, re-examine the connection point and press firmly until it clicks into place.
