Sweetcrispy SW-SZT

Sweetcrispy Vanity Desk Model SW-SZT Instruction Manual

Brand: Sweetcrispy | Model: SW-SZT

Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Sweetcrispy Vanity Desk Model SW-SZT. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Image Description: A complete view of the Sweetcrispy Vanity Desk, featuring a large mirror with 11 LED lights, two drawers, and a side cabinet, all in a white finish.

Safety Information

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble on a soft, clean surface to prevent scratches.
- Use appropriate tools and do not overtighten screws to avoid damaging the material.
- Keep small parts away from children during assembly.
- Do not overload drawers or shelves.
- Connect the charging station only to a grounded outlet.
- Secure the vanity desk to a wall using the provided anti-rollover device to prevent tipping.

Package Contents

Verify that all components listed below are included in your package. Refer to the assembly video for visual identification of parts.

- Vanity Desk Panels (various numbered pieces)
- Mirror with LED Lights
- Hardware Pack (screws, dowels, cam locks, drawer slides, hinges)
- Charging Station (2 AC outlets, 1 USB, 1 Type-C)
- Power Adapter
- Hair Dryer Holder
- Anti-rollover Device
- Instruction Manual

Assembly Instructions

Assembly is required for this product. It is recommended to have two people for certain steps. Follow the numbered steps carefully.

Assembly Video Guide

Your browser does not support the video tag.

Video Description: This video provides a step-by-step visual guide for assembling the Sweetcrispy Vanity Desk. It demonstrates how to attach panels, install drawer slides, assemble drawers, mount the mirror, connect LED lights, and secure the charging station.

Step-by-Step Written Instructions

1. **Prepare Panels:** Identify all numbered panels and hardware. Attach the drawer slides to the side panels of the desk base using the provided screws. (Refer to video for visual guidance on steps 0:02 - 1:13)
2. **Assemble Desk Base:** Connect the base panels using dowels and cam locks. Ensure all connections are secure. (Refer to video for visual guidance on steps 1:14 - 2:57)
3. **Assemble Drawers:** Construct the two drawers by attaching the side panels to the front and back panels, then insert the bottom panel. Attach the drawer handles. Install the drawer slides to the assembled drawers. (Refer to video for visual guidance on steps 2:58 - 4:03)
4. **Install Drawers:** Slide the assembled drawers into their respective compartments in the desk base.
5. **Attach Mirror:** Carefully place the mirror unit onto the desk base, aligning the pre-drilled holes. Secure it with screws.
6. **Install LED Lights:** Pass the wires of each LED bulb through the pre-drilled holes in the mirror frame. Gently press each bulb into its socket. Secure the bulbs at the back with the provided nuts. (Refer to video for visual guidance on steps 4:42 - 4:52)
7. **Connect Wiring:** Connect the LED light wires to the main power unit, ensuring wire colors match at both ends. Connect the power adapter to the main power unit. (Refer to video for visual guidance on steps 4:53 - 4:58)
8. **Install Charging Station:** Mount the charging station unit to the side of the desk using screws. Connect its power cord to the main power unit. (Refer to video for visual guidance on steps 4:59 - 5:13)
9. **Install Hair Dryer Holder:** Attach the hair dryer holder to the side of the desk as shown in the diagram.
10. **Install Cabinet Door:** Attach the hinges to the cabinet door and then to the desk frame. Adjust hinges as needed to ensure proper alignment and smooth closing. (Refer to video for visual guidance on steps 4:14 - 4:41)
11. **Secure Anti-rollover Device:** Attach the anti-rollover straps to the back of the vanity desk and then to a wall stud using appropriate hardware (not always included, user may need to provide). This is crucial for stability. (Refer to

video for visual guidance on steps 5:19 - 5:23)

For detailed visual instructions, please refer to the assembly video provided above.

Operating Instructions

LED Mirror Lights

The mirror features 11 LED lights with three adjustable color modes and brightness levels.

- **Power On/Off:** Touch the power button on the mirror to turn the lights on or off.
- **Change Color Mode:** Briefly touch the power button to cycle through cool light (6000K), natural light (4000K), and warm light (3000K).
- **Adjust Brightness:** Press and hold the power button to dim or brighten the lights. Release when the desired brightness is achieved.

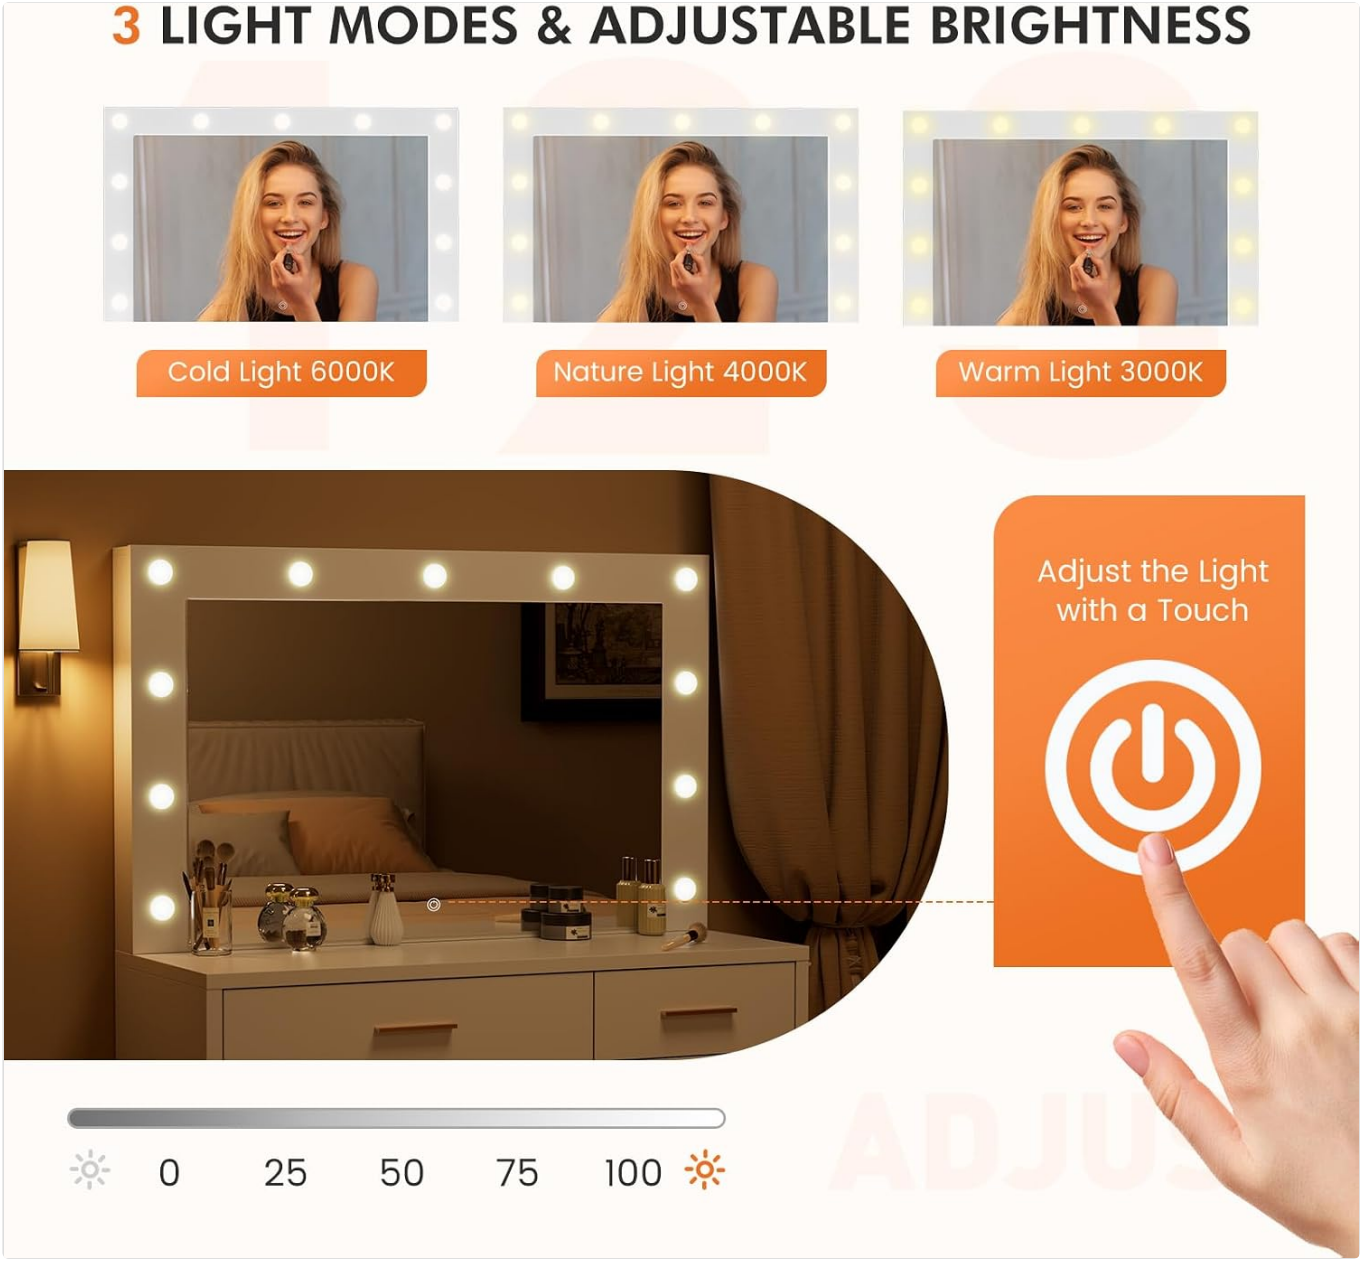

Image Description: This image illustrates the three distinct lighting modes available on the vanity mirror: Cold Light (6000K), Nature Light (4000K), and Warm Light (3000K). It also highlights the touch-sensitive power button used to adjust light color and brightness.

Charging Station

The built-in charging station includes 2 AC outlets, 1 USB port, and 1 Type-C port.

- Connect the vanity desk's power cord to a standard grounded wall outlet.
- Plug in your electronic devices (e.g., phone, tablet, curling iron) into the appropriate ports on the charging station.

Image Description: A detailed view of the integrated charging station, featuring two AC power outlets, one USB port, and one Type-C port. The image shows various devices, such as a laptop and a hair dryer, connected to the station, demonstrating its functionality.

Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the mirror, use a glass cleaner and a lint-free cloth.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Moisture:** Do not expose the desk to excessive moisture or direct sunlight.

Troubleshooting

LED Lights Not Working

- **Check Power Connection:** Ensure the vanity desk is properly plugged into a working wall outlet and that all internal wiring connections for the lights are secure.
- **Verify Wire Colors:** Double-check that the light wires are connected according to matching colors as shown in the assembly instructions.
- **Test Outlet:** Plug another device into the wall outlet to confirm it is functional.

Charging Station Not Working

- **Check Power Connection:** Ensure the vanity desk's main power cord is securely plugged into a working wall outlet.
- **Verify Internal Connections:** Confirm that the charging station's power cord is correctly connected to the main power unit inside the desk.
- **Test Devices:** Try charging different devices to rule out issues with the device itself.

Drawers Stick or Don't Close Smoothly

- **Check Alignment:** Ensure drawer slides are correctly aligned and installed on both the drawer and the desk frame.
- **Lubrication:** Apply a small amount of silicone lubricant to the drawer slides if they are stiff.
- **Obstructions:** Check for any objects obstructing the drawer's path.

Door Gaps or Misalignment

- **Adjust Hinges:** Use a screwdriver to adjust the hinges on the cabinet door. Most hinges allow for horizontal, vertical, and depth adjustments to achieve proper alignment. (Refer to video for visual guidance on steps 4:26 - 4:41)

Specifications

Feature	Detail
Brand	Sweetcrispy
Model Number	SW-SZT
Dimensions (L x W x H)	15.67"D x 35.43"W x 54.76"H
