Computer Speakers for Desktop or Laptop

B07D7TV5J3

IMPORTANT SAFEGUARDS

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

- This product is intended to play audio via a 3.5 mm audio jack connector.
- This product is intended for household use only. It is not intended for commercial use.
- No naked flame sources, such as lighted candles, should be placed on the apparatus.
- The apparatus shall not be exposed to dripping or splashing and no objects filled with liquid shall be placed on the apparatus.
- This product is intended to be used in dry indoor areas only.
- No liability will be accepted for damages resulting from improper use or non-compliance with these instructions.
- Long-term exposure to loud music or sounds may cause hearing loss. To prevent possible hearing damage, do not listen at high volume levels for long periods.
- This product should not be used near water.

DANGER

Risk of suffocation!

Keep any packaging materials away from children – these materials are a potential source of danger, e.g. suffocation.

Symbols Explanation

This symbol stands for “Conformité Européenne”, which declares “Conformity with EU directives, regulations and applicable standards”.

With the CE-marking, the manufacturer confirms that this product complies with applicable European directives and regulation.

This symbol stands for “United Kingdom Conformity Assessed”.

With the UKCA-marking, the manufacturer confirms that this product complies with applicable regulations and standards within Great Britain.

Connection

1. Connect the product’s USB cable to the USB slot of your computer.
2. Connect the 3.5 mm audio jack connector to the audio output jack of your computer.

Operation

1. Turn the volume control knob in the clockwise direction to turn the product on. The LED lights up blue.
2. Keep turning in the clockwise direction to increase the volume level.
3. To turn off, turn the volume control knob all the way in the anti-clockwise direction. The LED goes off.

NOTICE

The volume can also be controlled via your computer volume settings. If the product does not play audio, ensure the audio output of your computer is not muted.

Using Headphones (not included)

NOTICE

Do not listen to music at a high volume for an extended period of time. This may damage your hearing.

1. Connect the 3.5 mm audio jack connector of your headphones to the product's audio output jack.
2. The volume can be controlled with the volume control knob.

NOTICE

After connecting the external headphones the product is muted automatically.

Cleaning and Maintenance

- To clean, wipe with a soft, slightly moist cloth.
- Dry the product after cleaning.
- Never use corrosive detergents, wire brushes, abrasive scourers, metal or sharp utensils to clean the product.

Specifications

Power source:	5 V USB port
Output power:	2 x 1.1 W
Impedance:	8 $\Omega \pm 15 \%$
Separation:	≥ 35 dB
S/N Ratio:	≥ 65 dB
Frequency range:	103 Hz – 20 KHz

Importer Information

	For EU
Postal:	Amazon EU S.à r.l., 38 avenue John F. Kennedy, L-1855 Luxembourg
Business Reg.:	134248

	For UK
Postal:	Amazon EU SARL, UK Branch, 1 Principal Place, Worship St, London EC2A 2FA, United Kingdom
Business Reg.:	BR017427

FCC – Supplier's Declaration of Conformity

Unique Identifier	B07D7TV5J3 Computer Speakers for Desktop or Laptop, USB-Powered
Responsible Party	Amazon.com Services, Inc
U.S. Contact Information	410 Terry Ave N. Seattle, WA 98109, United States
Telephone Number	(206) 266-1000

FCC Compliance Statement

1. This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
 - (2) this device must accept any interference received, including interference that may cause undesired operation.
2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Interference Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio / TV technician for help.

Canada IC Notice

This Class B digital apparatus complies with Canadian CAN ICES-3(B) / NMB-3(B) standard.

Disposal (for Europe only)

The Waste Electrical and Electronic Equipment (WEEE) laws aim to minimise the impact of electrical and electronic goods on the environment and human health, by increasing re-use and recycling and by reducing the amount of WEEE going to landfill. The symbol on this product or its packaging signifies that this product must be disposed separately from ordinary household wastes at its end of life. Be aware that this is your responsibility to dispose of electronic equipment at recycling centres in order to conserve natural resources. Each country should have its collection centres for electrical and electronic equipment recycling.

For information about your recycling drop off area, please contact your related electrical and electronic equipment waste management authority, your local city office, or your household waste disposal service.

Feedback and Help

We would love to hear your feedback. To ensure we are providing the best customer experience possible, please consider writing a customer review.
