amazon basics B07DHK5DHN Single Monitor Display Mounting Arm

Safety and Compliance

CAUTION

- This product contains small items that could be a choking hazard if swallowed. Keep these items away from young children.
- Make sure these instructions are read and completely understood before attempting installation. If you are unsure of any part of this installation, please contact a professional installer for assistance.
- The desk or mounting surface must be capable of supporting the combined weight of the mount and the display, otherwise, the structure must be reinforced.
- Please check joint parts every two months, making sure the screws are not loose.
- This product was designed to be installed on a desk. Before installing, make sure the mount will support the combined load of the equipment and hardware.
- Never exceed the maximum load capacity of 10 kg, or else it may result in product failure or personal injury.

NOTICE

This product is intended for indoor use only. Use of this product outdoors could lead to product failure or personal injury.
