FCC – Supplier's Declaration of Conformity

Unique Identifier	B07KRWYN4R HDMI Audio Extractor
Responsible Party	Amazon.com Services, Inc
U.S. Contact Information	410 Terry Ave N. Seattle, WA 98109, United States
Telephone Number	(206) 266-1000

FCC Compliance Statement

1. This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:
 1. this device may not cause harmful interference, and
 2. this device must accept any interference received, including interference that may cause undesired operation.
2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Interference Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Canada IC Notice

This Class B digital apparatus complies with the Canadian CAN ICES-3(B) / NMB3(B) standard.

Simplified EU Declaration of Conformity

- Hereby, Amazon EU Sari declares that the radio equipment type B07KRWYN4R complies with Directive 2014/53/EU.
- The full text of the EU Declaration of conformity is available at the following internet address:
https://www.amazon.co.uk/amazon_private_brand_EU_compliance

Disposal (for Europe only)

The Waste Electrical and Electronic Equipment (WEEE) laws aim to minimise the impact of electrical and electronic goods on the environment and human health, by increasing re-use and recycling and by reducing the amount of WEEE going to landfill. The symbol on this product or its packaging signifies that this product must be disposed separately from ordinary household wastes at its end of life. Be aware that this is your responsibility to dispose of electronic equipment at recycling centres in order to conserve natural resources. Each country should have its collection centres for electrical and electronic equipment recycling. For information about your recycling drop off area, please contact your related electrical and electronic equipment waste management authority, your local city office, or your household waste disposal service.

Specifications

Voltage/current:	5 V, 320 mA
Video input/output:	2 x HDMI socket
Audio outputs:	1 x Toslink
	1 x Coaxial
	1 x 3.5 mm stereo
Supported bandwidth:	300 MHz/3 Gbps per channel
Supported video resolution:	8-bit 4K (30 Hz)
	12-bit 1080p (60 Hz)
	12-bit 720p/1080i (60 Hz)
Supported audio:	2.0 Channel
	5.1 Channel Dolby Digital
	DTS Digital
Operating conditions:	0 to +45 °C, 10 – 85 % RH
Storage conditions:	-10 to +70 °C, 5 – 90 % RH
