Garvee ztfgyctg-003-GV60y

Garvee End Table with Drawer (Model ztfgyctg-003-GV60y) Instruction Manual

Your guide to assembly, use, and maintenance.

Introduction

Welcome to your new Garvee End Table. This manual provides essential information for the assembly, proper use, and maintenance of your end table. Please read these instructions carefully before proceeding to ensure safe and correct setup and operation.

Safety Information

- Read all instructions thoroughly before beginning assembly and before using the product.
- Keep all small parts and packaging materials away from children during assembly to prevent choking hazards.
- Do not overload the table or its drawer. Adhere to weight limits to prevent damage or injury.
- Ensure all fasteners (screws, bolts, etc.) are securely tightened before use. Periodically check and re-tighten as needed.
- Place the table on a level and stable surface to prevent tipping.

Package Contents

Before starting assembly, please verify that all components listed below are present in your package. If any parts are missing or damaged, please contact customer support.

- Tabletop (Engineered Wood)
- Drawer components (front, back, sides, bottom)
- Legs and support braces
- Bottom storage shelf
- Hardware pack (screws, dowels, cam locks, drawer slides, handle)
- Assembly Guide

Setup and Assembly

Your Garvee End Table is designed for straightforward home assembly. An illustrated assembly guide and all necessary tools are included in the packaging.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Refer to the included Assembly Guide for step-by-step instructions. Each part is typically labeled.

3. Follow the diagrams carefully, ensuring correct orientation of parts.
4. Tighten all screws and fasteners firmly, but avoid overtightening, which can strip threads or damage the wood.
5. Once assembled, gently lift and place the table in its desired location. Do not drag.

Approximate assembly time: 30-60 minutes.

Operating and Usage

The Garvee End Table is a versatile furniture piece designed to enhance various spaces in your home.

- **As a Nightstand:** Position the table next to your bed. The top surface is ideal for a lamp, alarm clock, or a glass of water. The drawer provides concealed storage for personal items, while the open shelf can hold books or a decorative basket.
- **As a Side Table:** Place it beside a sofa or armchair in your living room. Use the top for beverages, remote controls, or decorative accents. The lower shelf is suitable for magazines or small storage containers.
- **General Storage:** The integrated drawer and two-tier storage shelves offer practical space for organizing items, helping to keep your living room, bedroom, or dorm tidy.

Two Garvee End Tables serving as nightstands in a bedroom, complementing the bed and providing functional surfaces.

Maintenance

Proper care will extend the life and appearance of your Garvee End Table.

- **Cleaning:** Wipe surfaces with a soft, slightly damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean up spills immediately with a dry cloth to prevent moisture damage or staining.
- **Stability Check:** Periodically inspect all screws and fasteners. Re-tighten them if they feel loose to maintain the table's stability.
- **Heat Protection:** Always use coasters or protective pads under hot items to prevent heat marks on the tabletop.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration over time.

Troubleshooting

If you encounter any issues with your Garvee End Table, refer to the following common solutions:

- **Table is Wobbly:**
  - Ensure all assembly screws and fasteners are fully tightened. Do not overtighten.
  - Verify that the table is placed on a flat, level surface. Adjust leg levelers if applicable (not included with this model, but a general tip).
- **Drawer Does Not Slide Smoothly:**
  - Check that the drawer slides are correctly installed and aligned on both the drawer and the table frame.
  - Ensure the drawer itself is assembled squarely and not warped.
  - Clear any obstructions from the drawer slides.
- **Missing Parts or Damaged Components:**
  - Refer to the "Package Contents" section and the included Assembly Guide to confirm all parts. If parts are genuinely missing or damaged upon arrival, contact Garvee customer support for assistance.
