Medium	+		=	Soft
Medium firm	+		=	Medium
Firm	+		=	Medium firm

Important Safeguards

Risk of suffocation!

Keep any packaging materials away from children and pets – these materials are a potential source of danger, e.g. suffocation.

- Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.
- This product may have a slight odor from the materials used, which is normal. It is recommended not to use it immediately after opening the package.

For the odor to dissipate faster:

- Open the window and keep the door open to ventilate the place around the topper.
- Gently pressing the topper can help the topper air out quickly.
- If necessary, open the sash to push the air out of the room.
- Ventilate for 48 hours to allow the new foam odor to completely dissipate.
- It may take a few days to adjust to the mattress with the new topper.
- The cover may be wrinkled when it arrives because it is misaligned with the foam inside.

### **Tips for Rebounding**

- Let the topper adjust to room temperature. Speed up the process by placing the topper in a warm room. Most foam responds well to warm temperatures as heat makes the foam more malleable. Do not apply direct heat to the topper. Direct heat (e.g. space heaters) can damage the topper
- Gently unroll or unfold the topper onto the flat surface.
- Active air circulation and ventilation help to expand the topper faster.
- Gently pressing on the topper can help with expanding

### **Cleaning and Maintenance**

- For cover care instructions, refer to the care tag.
- The foam core cannot be washed or exposed to the sun. If there is a spill, use a towel to absorb the liquid then blow dry with a hair dryer or put the foam core in a well-ventilated room to dry in the shade.
- The foam core may turn yellow over time due to oxidation. This is a natural phenomenon and does not affect the use of the product.

### **Disposal**

Dispose of the product according to local regulations. If in doubt, “consult your local authorities.
