### B07PHPSDRV Spring Door Stop

**Caution**

This product contains small items that could be a choking hazard if swallowed.  
Keep these items away from young children.

- Make Sure these instructions are read and completely understood before attempting installation. If you are unsure of any part of this installation, please contact a professional installer for assistance.

**Step 1:** Position mounting base on the base board / wall and mark the hole using a pencil.

**Step 2:** Using the spot you marked pre-drill a hole using a 1/16" drill bit.

**Step 3:** Place the flat side of the mounting plate against the baseboard / wall and secure it using the provide screw.

**NOTICE** | Do Not Overtighten.

**Step 4:** Insert the spring into the metal hole and turn clockwise once.
