IMPORTANT SAFEGUARDS

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

When using the product, basic safety precautions should always be followed to reduce the risk of injury including the following:

- This product can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the product. Cleaning and use maintenance shall not be made by children without supervision.
- You will have to adjust this product after installation is complete.
- Do not exceed maximum listed weight capacity of 20 lbs (9.1 kg) for each display. Serious injury or property damage may occur.
- Because mounting surface materials can vary widely, it is imperative that you make sure mounting surface is strong enough to handle mounted product and equipment.
- The distance between the viewer and the display depends upon the location and set up of the product. Adjust the distance to no less than 450mm and no more than 800mm from the viewer, based on comfort and ease of viewing.

IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

Before First Use

- Check for transport damages.

DANGER Risk of suffocation! Keep any packaging materials away from children — these materials are a potential source of danger, e.g. suffocation.

Cleaning and Maintenance

Cleaning

- To clean, wipe with a soft, slightly moist cloth.
- Never use corrosive detergents, wire brushes, abrasive scourers, metal or sharp utensils to clean the product.

Maintenance

- Check the components regularly to make sure all screws and bolts are tightened.
- Store in a cool and dry place away from children and pets, ideally in original packaging.
- Avoid any vibrations and shocks.
