Important Safeguards

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

- The product is intended for spot cleaning in any private household or vehicle. It is not intended for commercial use.
- Use gentle pressure on the window. Do not press too hard.
- Do not stop and start. Glide across the window from side to side or top to bottom in one stroke.
- Do not spray jet into eyes.
- Do not direct the spray jet directly on equipment containing electrical components.
- Read the use directions of the cleaning detergent used.
- Rubber deteriorates in sunlight and dry air. When storing a squeegee, do not let it rest on the rubber. Any nicks, abrasions or bending of the rubber may cause window streaking. Replace the squeegee regularly.
- Clean and dry the squeegee before storing.
- Do not let children play with the product.

Cleaning

- Wipe the product with a soft, slightly moist cloth.
- Never use corrosive detergents, wire brushes, abrasive scourers, metal or sharp utensils to clean the product.
