## Maintenance

To ensure the longevity and appearance of your GarveeHome dresser, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they can damage the finish. The 25mm thick tabletop is waterproof, allowing for easy cleaning of spills.
- **Spill Management:** Promptly wipe up any spills to prevent moisture damage.
- **Drawer Functionality:** Periodically check drawer slides for smooth operation. If drawers become stiff, a small

amount of silicone lubricant can be applied to the slides.

- **Hardware Check:** Regularly inspect all screws and fasteners to ensure they remain tight. Tighten as needed to maintain structural integrity.
- **Sunlight Exposure:** Avoid placing the dresser in direct sunlight for extended periods, as this can cause fading or discoloration of the wood finish.
