2. Safety Instructions

2. Safety Instructions

Please read and understand all safety instructions before assembling or using the kitchen island cart. Failure to follow these instructions may result in injury or damage to the product.

- Ensure all parts are properly secured before use. Regularly check all fasteners to ensure they remain tight.
- Do not allow children to play on, with, or around the cart. This product is not a toy.
- Be cautious when moving the cart, especially on uneven surfaces, to prevent tipping. Always lock the casters when the cart is stationary.
- Use caution around sharp objects and hot items when using the cart in the kitchen. Avoid placing excessively hot items directly on the countertop without protection.
- Do not overload the drawers, shelves, or countertop. Refer to the specifications for weight limits.
- Keep liquids away from the power outlet to prevent electrical hazards.

3. Setup & Assembly

Assembly of the Garvee Rolling Kitchen Island Cart is required. The package includes all necessary tools and step-by-step instructions. Each part is clearly labeled to facilitate a smooth assembly process.

3.1. Package Contents

Before beginning assembly, verify that all components listed in the included assembly guide are present and undamaged. If any parts are missing or damaged, please contact customer support.

3.2. Assembly Steps

Refer to the detailed assembly instructions provided in the product packaging. Follow the numbered steps carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

- Unpack all components and lay them out.
- Identify each part using the labels.
- Follow the graphical and textual instructions for connecting parts.
- Ensure all screws and fasteners are tightened securely, but do not overtighten.
- Attach the casters, ensuring the locking casters are placed as indicated for stability.

4. Operating Instructions

4.1. Using the Drop Leaf Countertop

The kitchen island features a foldable drop leaf countertop to provide additional workspace when needed. It is supported by three metal brackets for stability.

- **To extend:** Gently lift the drop leaf until it is level with the main countertop. Pull out the supporting metal brackets underneath to secure it in place.
- **To fold:** Push the supporting brackets back into their retracted position. Carefully lower the drop leaf until it rests against the side of the island.

4.2. Utilizing the Built-In Power Outlet

The kitchen island is equipped with a built-in electrical outlet featuring 2 USB ports and 2 standard AC sockets. This allows for convenient power access for kitchen appliances or charging devices.

- Plug the island's power cord into a standard wall outlet.
- Insert appliance plugs into the AC sockets or USB cables into the USB ports as needed.
- Ensure the total power draw does not exceed the rated capacity of the outlet.

4.3. Hidden Trash Can Storage

A dedicated compartment is provided for a trash can (standard 10-gallon bin, sold separately). This design helps to conceal waste and contain odors.

- Open the tilt-out cabinet door to access the trash can compartment.
- Place a standard 10-gallon trash bin inside the designated area.
- Close the door to keep the trash can out of sight and odors contained.

4.4. Mobility and Stability (Casters)

The island is equipped with five metal universal wheels, including two with brakes, for easy movement and stable positioning.

- **To move:** Unlock the two casters with brakes by flipping the lever upwards. Gently push the island to your desired location.
- **To secure:** Once in position, lock the two casters with brakes by flipping the lever downwards. This will prevent accidental movement.

4.5. Adjustable Shelf

The cabinet features a 3-position adjustable shelf, allowing you to customize storage space for various items.

- Empty the cabinet before adjusting the shelf.
- Remove the shelf by lifting it off its supports.
- Relocate the shelf supports to the desired height.
- Place the shelf back onto the supports, ensuring it is level and secure.

4.6. Spice Rack and Towel Rack

The island includes a convenient spice rack and a towel rack on its sides for easy access to frequently used items.

- Use the spice rack to organize and store spice jars or small bottles.
- Hang kitchen towels or cloths on the towel rack for quick access during cooking or cleaning.

5. Maintenance and Care

Proper maintenance will ensure the longevity and appearance of your kitchen island cart.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For stubborn stains, use a mild soap solution and dry immediately.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood surfaces.
- **Hardware:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Retighten as necessary.
- **Casters:** Keep casters free of debris to ensure smooth movement.
- **Power Outlet:** Ensure the power outlet area remains dry and free of dust.

6. Troubleshooting

If you encounter any issues with your Garvee Rolling Kitchen Island Cart, refer to the following common solutions:

- **Island feels unstable:** Ensure all casters are locked when stationary. Check that all assembly fasteners are securely tightened. Avoid placing heavy items unevenly.
- **Casters not rolling smoothly:** Check for debris (hair, lint, etc.) caught in the wheels. Clean as necessary. Ensure casters are unlocked if you intend to move the island.
- **Power outlet not working:** Ensure the island's main power cord is securely plugged into a functional wall outlet. Check if the wall outlet itself is working by testing with another device.
- **Drawers or doors sticking:** Check for any obstructions inside the drawers or cabinets. Ensure the island is on a level surface.

For issues not covered here, or if problems persist, please contact Garvee customer support.
