Product Usage Instructions

Important Safeguards

Please read and keep these instructions for future use. If you pass on the product to a third party, make sure to include these instructions with it. When using the product, always follow basic safety precautions to reduce the risk of injury.

Intended Use

The product is designed to be used as a computer station, writing desk, meeting desk, and more.

Before First Use

Before using the product for the first time, make sure to remove any packaging materials that may pose a potential danger, such as suffocation hazards.

Cleaning and Maintenance

- **Cleaning**

To clean the product, avoid using scourers, metal or sharp utensils as they may damage the surface. Instead, use a soft cloth or sponge with mild detergent and warm water to wipe down the tabletop and legs.

- **Removing Stains**

Before attempting to remove stains, test your cleaning method in an inconspicuous location on the furniture to ensure it does not damage the surface. Follow the manufacturer's recommendations for stain removal.

- **Maintenance**

Regular maintenance of the product is recommended to keep it in good condition. This may include periodic cleaning, checking for loose screws or fittings, and ensuring proper stability of the table.

IMPORTANT SAFEGUARDS

Read these instructions carefully and keep them for future use. If this product is passed to a third party, then these instructions must be included.

When using the product, basic safety precautions should always be followed to reduce the risk of injury including the following:

- This product is shipped fully assembled. Before use, verify that all the components and fasteners are secure.
- Be cautious when opening and closing this product. Keep hands away from the folding mechanisms to prevent fingers from being trapped and pinched.
- Do not let children climb on or play with the product.
- Always use the product on a firm, level ground.
- Do not use this product if any parts are missing, damaged, or worn.
- Regularly examine the product for signs of wear and tear. Stop using the product at the first sign of damage or if parts become detached.
- Do not sit or stand on the tabletop.
- Do not place hot items directly on the tabletop. Heat can cause chemical changes that may create spotting within the furniture finish. Use a suitable table mat or coasters.
- Do not tilt the tables and chairs to avoid breaking the furniture legs or loosening the joints.
- Do not drag furniture to move it. Lift furniture about 3.9" (10 cm) off the ground to move it.
- Check the stability after installation or after making any adjustments.
