Vente-unique Somio

Vente-unique Habitat Somio Swivel Armchair User Manual

Model: Somio | Brand: Vente-unique

Introduction

Thank you for choosing the Vente-unique Habitat Somio Swivel Armchair. This armchair is designed for comfort and style, featuring a unique 3D fabric in a vibrant teal blue. Its alveolated material combines design with advanced technology, offering lightness, elasticity, and exceptional resistance. The three-dimensional mesh provides breathability and optimal thermal regulation. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure long-lasting enjoyment of your product.

Key Features:

- Unique 3D fabric for design and durability.
- High-resilience bi-density polyurethane foam filling for comfort.
- Enveloping armrests.
- Swivel function for enhanced usability.
- Breathable and temperature-regulating material.

Setup Instructions

The Vente-unique Habitat Somio Swivel Armchair typically arrives partially assembled. Follow these steps to complete the setup:

1. **Unpacking:** Carefully remove all packaging materials. Inspect the armchair for any signs of damage. Keep packaging for potential returns if necessary.
2. **Identify Components:** Ensure all parts are present. For this armchair, the main components are usually the seat/backrest unit and the swivel base.
3. **Attach Swivel Base (if separate):** If the swivel base is not pre-attached, align the base mechanism with the designated attachment points on the underside of the armchair. Secure it using the provided screws and tools. Ensure all screws are tightened firmly but do not overtighten.
4. **Placement:** Position the armchair in your desired location. Ensure there is enough space for the swivel function to operate freely without obstruction.

5. **Stability Check:** Gently test the armchair's stability by applying light pressure from different angles. Ensure it sits level and does not wobble.

Operating Instructions

The Somio Swivel Armchair is designed for simple and comfortable use.

- **Seating:** Sit gently into the armchair, distributing your weight evenly.
- **Swivel Function:** The armchair features a 360-degree swivel mechanism. To rotate, simply shift your weight slightly and push off the floor with your feet in the desired direction. The swivel action should be smooth and effortless.
- **Comfort:** The high-resilience foam filling and enveloping armrests provide optimal comfort for relaxation.

Care and Maintenance

Proper care will help maintain the appearance and longevity of your Somio Swivel Armchair.

- **Regular Cleaning:** Vacuum the fabric regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, following the product instructions. Test on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position the armchair away from direct sunlight or use curtains/blinds.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong chemical solvents, as these can damage the fabric and its color.
- **Swivel Mechanism:** Periodically check the swivel mechanism for smooth operation. If it becomes stiff or

noisy, a small amount of silicone-based lubricant can be applied to the moving parts, avoiding contact with the fabric.

Troubleshooting

Problem	Possible Cause	Solution
Armchair wobbles or is unstable.	Uneven floor surface or loose connections in the base.	Ensure the armchair is on a level surface. Check and tighten all screws connecting the base to the seat.
Swivel mechanism is stiff or noisy.	Lack of lubrication or debris in the mechanism.	Apply a small amount of silicone-based lubricant to the moving parts of the swivel mechanism. Ensure no fabric contact. Remove any visible debris.
Fabric appears faded.	Prolonged exposure to direct sunlight.	Relocate the armchair away from direct sunlight or use window coverings to protect it.

Specifications

Feature	Detail
Brand	Vente-unique
