## Important Safety Instructions

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

When using the product, basic safety precautions should always be followed to reduce the risk of injury including the following:

### WARNING

#### Risk of injury or death!

Serious or fatal crushing injuries can occur from product tipping over. To prevent this product from tipping over, it must be permanently fixed to the wall.

- For domestic and office use only. Do not use outdoors.
- This product must be assembled by an adult.

- Keep children and pets away while assembling the product.
- Do not let children climb on or play with the product.
- Always use the product on a firm, level ground.
- Do not use this product if any parts are missing, damaged, or worn.
- To avoid scratching the floor, assemble the product on a soft surface, such as a carpet.
- Regularly examine the product for wear and tear. Stop using the product at first sign of damage or if parts become detached.
- Do not use power tools to assemble the product. Power tools may strip or damage the parts.
- Do not overload the product. Load the product evenly and place the heaviest items on the lower shelves.
- Never exceed the maximum load capacity of each shelf of 200 lbs (90.7 kg).

## Assembly

### **WARNING**

Take special precautions when working on heights, for example, while using a ladder. Use the right type of ladder and ensure it is structurally sound. Use the ladder in accordance with the manufacturer's instructions.

For additional illustrated assembly steps, refer to the end of the written instructions.

Do not drill into any pipes or power lines beneath the surface during mounting holes preparation. Use voltage/metal detector before drilling any holes to eliminate any such potential risks.

## Before First Use

### **DANGER** Risk of suffocation!

Keep any packaging materials away from children and pets — these materials are a potential source of danger, e.g. suffocation.

- Remove all the packing materials.  
Discard the protective covers (F) placed between each shelf.
- Remove and review all components before starting assembly.
- Check the product for transport damages.

## USE

- Always load each shelf (A) evenly with the heaviest items on the lower shelves.
- Never exceed the maximum load Capacity of each shelf (A) of 200 lbs (90.7 kg).
- Adjust the leveling feet (D) to make sure the product is leveled from left to right.

## Cleaning and Maintenance

- To clean the product, wipe with a soft, slightly damp cloth.
- Never use corrosive detergents, wire brushes, abrasive scourers, metal or sharp utensils to clean the product.
- Regularly check that all the components and fasteners are tightened.

## Disposal

Dispose of the product according to local regulations. If in doubt, consult your local authorities.

## Specifications

Model number	BO9W2X7NHR BO9W2Y51TC
