- Place the blocks into the openings that match with the color and shape. Take out the blocks from the penguin's belly opening.

6

Side 3

- Rotate the turtle's shell to move the balls inside the shell. Try to collect all the same colors into one area or simply watch the balls rolling around inside.

7

Side 4

- Slide the fish and crabs along the tracks to different places on the board.

- Move the beads from one end to the other, following the paths of the wires.

**WARNING** Risk of injury!

Do not leave the child unattended. Hands/ feet can get stuck between the wires.

**IMPORTANT SAFEGUARDS**

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included. When using the product, basic safety precautions should always be followed to reduce the risk of injury including the following:

**CAUTION:** Risk of injury! The toy is to be assembled by an adult.

- For domestic use only.
- Keep children and pets away while assembling the product.
- Only use the product on a firm, level ground. Do not place the product on tables or elevated surfaces, there is a risk of the product tipping over the edge.
- Do not use this product if any parts are missing, damaged, or worn.
- Regularly examine the product for wear and tear. Stop using the product at the first sign of damage or if parts become detached.

**Installation**

For additional illustrated assembly steps, refer to the end of the written instructions.

**Before First Use**

**DANGER:** Risk of suffocation!

Keep any packaging materials away from children and pets – these materials are a potential source of danger, e.g. suffocation.

- Remove all the packing materials.
- Remove and review all components before starting assembly.
- Check the product for transport damages.

## Cleaning and Maintenance

### Cleaning

- To clean the product, wipe with a soft, slightly damp cloth.
- Never use corrosive detergents, wire brushes, abrasive scourers, metal or sharp utensils to clean the product.

### Maintenance

- Regularly check that all the components and fasteners are tightened.
- Store the product in a cool and dry place away from children and pets, ideally in its original packaging.
- Avoid any vibrations and shocks.

### Disposal

Dispose of the product according to local regulations. If in doubt, consult your local authorities.
