## Garvee PHO_158Q

# Garvee 71-inch Double Dog Crate Furniture with 3 Drawers

Model: PHO_158Q

## 1. Product Overview

The Garvee 71-inch Double Dog Crate Furniture is designed to provide a secure and comfortable space for two medium to large dogs while serving as a functional piece of furniture. This unit features two separate compartments, three storage drawers, and a sturdy construction suitable for use as a TV stand or side table.

Image 1.1: The Garvee double dog crate furniture, showcasing its design and capacity for two dogs.

### Key Features:

- **Double Dog Crate:** Two independent compartments, each measuring approximately 34.3 inches in length, providing ample space for medium to large dogs to stand, turn, and rest. The total length of the unit is 71 inches, with a height of 34.7 inches.
- **Sturdy Construction:** Built with engineered wood and heavy-duty metal bars for durability and pet safety. Features a double locking mechanism and four vertical slide locks for enhanced security.
- **Integrated Storage:** Three pull-out drawers offer convenient storage for pet toys, treats, leashes, and other household items.
- **Multi-functional Design:** This retro-style furniture piece can function as a dog kennel, a TV stand, or a side table, blending with various interior decor styles.

## 2. Safety Information

Please read and understand all safety instructions before assembling and using this product. Failure to follow these

instructions may result in injury to pets or damage to the product.

- **Adult Assembly Required:** This product requires adult assembly. Keep small parts away from children and pets during assembly.
- **Proper Placement:** Place the furniture on a flat, stable, and level surface to prevent tipping.
- **Pet Supervision:** Do not leave pets unsupervised for extended periods, especially during initial use. Ensure your pet is comfortable and safe within the crate.
- **Weight Limit:** Do not exceed the recommended weight capacity for the top surface if used as a TV stand or side table.
- **Regular Inspection:** Periodically check all bolts, screws, and locks to ensure they are tight and secure. Tighten as necessary.
- **Ventilation:** Ensure adequate ventilation for your pets inside the crate.
- **Avoid Overcrowding:** Each compartment is designed for one medium to large dog. Do not place more than one dog per compartment.

## 3. Package Contents

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, contact customer support.

- Engineered Wood Panels (various sizes)
- Metal Crate Bars and Doors
- 3 Drawer Units
- Hardware Pack (screws, bolts, cam locks, dowels, drawer slides, handles, door latches)
- Divider (for separating compartments)
- Assembly Instructions Manual

## 4. Assembly and Setup

Assembly is designed to be straightforward with clear instructions and labeled parts. It is recommended to have two adults for assembly.

### 4.1 Pre-Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches.
2. Identify each part using the provided parts list in the separate assembly manual.
3. Ensure all necessary tools are available (typically a Phillips head screwdriver and possibly a hammer).

### 4.2 Measuring Your Dogs

To ensure your dogs will be comfortable, measure them before assembly. The crate provides 34.3 inches in length per compartment and 34.7 inches in height.

Image 4.1: Visual guide for measuring your dog's length and height to ensure proper crate fit.

- **Step 1: Length** - Measure your dog from the nose to the tail while standing.
- **Step 2: Height** - Measure from your dog's ears or head to the ground while sitting.
- **Recommendation:** Reserve at least 4 inches more than the measured length and height for your dog's activity space within the crate.

### 4.3 Assembly Instructions

Follow the step-by-step instructions provided in the separate assembly manual included with your product. Ensure all connections are secure before use.

Image 4.2: Detailed view of key structural components including the wide top surface, strong metal tubes, reinforced base, and drawer handles.

## 5. Operation

This furniture piece is designed for ease of use and versatility.

### 5.1 Using the Dog Crates

- **Access:** Each dog compartment features double doors for easy access. Open the doors to allow your pet to enter or exit.
- **Security:** Close the doors and engage the double locking mechanism and vertical slide locks to secure your pet inside.
- **Interaction:** The double-door design facilitates convenient interaction and feeding while keeping pets safely contained.

Image 5.1: Dogs comfortably resting inside the crate with doors open, demonstrating accessibility.

### 5.2 Utilizing Storage Drawers

The three pull-out drawers are located above the crate compartments. Use them to store pet essentials or other household items.

Image 5.2: The three spacious drawers, ideal for organizing dog supplies and other items.

### 5.3 Multi-functional Use

The wide top surface of the unit can support a television or serve as a display area for decorative items, enhancing its utility as a furniture piece.

## 6. Maintenance

Regular maintenance will help prolong the life and appearance of your Garvee dog crate furniture.

- **Cleaning:** Wipe down the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. For metal bars, use a mild soap and water solution.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Hardware Check:** Periodically inspect all screws, bolts, and latches. Tighten any loose hardware to maintain structural integrity and safety.
- **Avoid Moisture:** Do not expose the furniture to excessive moisture or direct sunlight for prolonged periods, as this

can cause warping or fading.

## 7. Troubleshooting

If you encounter any issues with your Garvee dog crate furniture, refer to the following common solutions.

- **Issue:** Doors do not close or latch properly.
  **Solution:** Check if the furniture is on a level surface. Inspect hinges and latches for any obstructions or misalignment. Tighten any loose screws on the hinges or latches.
- **Issue:** Drawers are difficult to open or close.
  **Solution:** Ensure the drawer slides are properly aligned and free of debris. Check that the drawer contents are not obstructing movement.
- **Issue:** Unit feels wobbly or unstable.
  **Solution:** Verify that all assembly hardware (screws, bolts, cam locks) are fully tightened. Ensure the unit is placed on a flat, even floor.
- **Issue:** Pet attempts to escape.
  **Solution:** Ensure all locks are engaged. Consider additional training for your pet to acclimate them to the crate. Never force a pet into the crate.

If problems persist, contact Garvee customer support for further assistance.

## 8. Specifications

| Feature | Detail |
