## Important Safeguards

**⚠ DANGER Risk of suffocation!** Keep any packaging materials away from children and pets – these materials are a potential source of danger, e.g. suffocation.

- Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.
- It is normal for the product to have a faint odor when it is first unpacked. Keep the product in a well ventilated area and the odor should disappear within 24 – 48 hours.
- It is recommended to allow the product to fully expand before sleeping or sitting on it.
- It is recommended to use a mattress protector underneath the fitted sheets to guard against any spills and stains.
- As each mattress may spend a different amount of time under compression, as a result there may be slight variances to the product's dimensions. These does not affect the quality of the mattress or its usability.

Cleaning and Maintenance

- To clean the product directly, wipe down with a clean damp cloth, then allow the mattress to thoroughly dry afterwards.
- Avoid using any detergents or chemical cleaners.
- The product does not need to be turned over. Rotate the product every so often to minimize wear and tear of the foam layer.
