## B0BD4SWJXN Nonstick Baking Sheets and Cooling Rack Set

## **Nonstick Baking Sheet & Cooling Rack Set, Half Sheet Size Ensemble**

### **Important Safeguards**

#### **DANGER**

- Risk of suffocation! Keep any packaging materials away from children – these materials are a potential source of danger. e.g. suffocation.

#### **CAUTION**

- Risk of burns! Use potholders or oven mitts when moving the product as it may become very hot during use.
- Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.
- This product is not a toy. Keep away from children.
- Wash the product before first use and after each use.
- The product is oven-safe and can withstand temperatures up to 450 °F (232 °C)
- Never cut food directly in the pan or gouge the ceramic non-stick surface in any way.
- With use, the ceramic non-stick surface may become slightly darker. Slight surface marks or abrasions are normal and will not affect the performance of the ceramic non-stick coating.
- Overheating can cause brown or blue stains. This is not a defect in the product. It occurs from using a too high heat setting (typically in an empty or minimally filled pan).
- Food films that were not properly or fully removed from past baking will also cause discoloration to the pan when reheated.
- Before baking, grease the baking surface evenly with non-stick cooking spray, a thin layer of butter, or line with oven-safe parchment paper or aluminum foil. However, non-stick cooking spray may create an invisible buildup on the surface of the pan that will affect the pan's non-stick properties.
- Avoid using metal utensils as these can damage the ceramic non-stick coating.
- Always use suitable heat-resistant wooden or synthetic utensils.

### **Cleaning**

- Clean all parts thoroughly in warm soapy water. Let all parts dry after cleaning.
- Soak the product in warm soapy water to remove dried-on residue. For stubborn residue, use a soft nylon brush.
- The baking sheet is dishwasher-safe. Hand washing is recommended for the cooling rack.
- Do not use sharp or abrasive cleaning tools for cleaning.
- Do not place in the oven during the self-clean cycle.

### **Disposal**

- Dispose of the product according to local regulations. If in doubt, consult your local authorities.

Specifications

- **Dimensions** (W x H x D) 17.9 x 12.4 x 0.9" (45.5 x 31.5 x 2.3 cm)
