MAMBASNAKE M2

MAMBASNAKE M2 Carbon Fiber Wireless Gaming Mouse Instruction Manual

1. Introduction

This manual provides detailed instructions for the setup, operation, and maintenance of your MAMBASNAKE M2 Carbon Fiber Wireless Gaming Mouse. Designed for high-performance gaming, the M2 mouse combines ultra-lightweight construction with advanced sensor technology and versatile connectivity options to enhance your gaming experience.

2. Product Features

- **Ultra-Lightweight & Durable Design:** Weighing only 41g, the M2 features a honeycomb-inspired, injection-molded carbon fiber shell for maximum agility and durability.
- **Flagship PAW3395PRO Optical Sensor:** Experience pixel-perfect precision with up to 40,000 DPI, 650 IPS tracking speed, and 50G acceleration for accurate 1-to-1 tracking.
- **Tri-Mode Connectivity:** Seamlessly switch between high-speed 2.4G wireless, Bluetooth 5.2 for multi-device use, and wired USB-C for zero-latency gameplay.
- **Long-Lasting Battery:** Equipped with a 250mAh battery, supporting extended wireless usage.
- **Durable Switches:** Features premium esports-level mechanical micro switches rated for over 100 million clicks, ensuring reliability and crisp tactile feedback.
- **Customizable Experience:** Program buttons, DPI settings, and macros via intuitive software. Includes 100% pure PTFE feet for smooth gliding.
- **Ergonomic Design:** Ambidextrous shape with a cool-touch coating suitable for palm, claw, and fingertip grips, reducing fatigue during long sessions.

3. Package Contents

Ensure all items are present before proceeding with setup:

- MAMBASNAKE M2 Carbon Fiber Wireless Gaming Mouse

- USB-C to USB-A Charging/Data Cable
- 2.4GHz Wireless USB Receiver (stored inside the mouse)
- User Manual
- 100% Pure PTFE Feet (pre-installed or included separately)

4. Setup

4.1 Charging the Mouse

Before first use, fully charge the mouse using the provided USB-C cable. Connect the USB-C end to the mouse and the USB-A end to a powered USB port on your computer or a USB wall adapter.

4.2 2.4GHz Wireless Connection

1. Locate the 2.4GHz USB receiver. It is typically stored in a compartment on the underside of the mouse.
2. Plug the USB receiver into an available USB-A port on your computer.
3. Turn on the mouse using the power switch on the underside. Select the '2.4G' mode.
4. The mouse should automatically connect to your computer. If not, press the pairing button on the underside of the mouse.

4.3 Bluetooth 5.2 Connection

1. Turn on the mouse using the power switch on the underside. Select the 'BT' mode.
2. On your computer or device, navigate to Bluetooth settings and enable Bluetooth.
3. Select 'MAMBASNAKE M2' from the list of available devices to pair.
4. Follow any on-screen prompts to complete the pairing process.

4.4 Wired USB-C Connection

1. Connect the USB-C end of the provided cable to the mouse.
2. Connect the USB-A end of the cable to an available USB port on your computer.
3. The mouse will function immediately in wired mode and will also charge simultaneously.

5. Operating Instructions

5.1 DPI Adjustment

The MAMBASNAKE M2 mouse features a PAW3395PRO optical sensor with adjustable DPI settings up to 40,000 DPI. The DPI button is located on the underside of the mouse. Press this button to cycle through preset DPI levels. The mode indicator light on the mouse will change color to indicate the current DPI setting.

5.2 Programmable Buttons and Macros

The mouse features programmable buttons. To customize button functions, assign macros, or adjust other advanced settings, download the intuitive software from the official MAMBASNAKE website. The software allows for detailed personalization of your mouse to suit your specific gaming and productivity needs.

5.3 Polling Rate

The mouse supports a high 1000Hz polling rate, ensuring low-latency and responsive tracking. This setting can typically be adjusted within the dedicated software.

5.4 Grip Options

The ergonomic, ambidextrous shape of the M2 mouse is designed to accommodate various grip styles, including palm, claw, and fingertip grips, providing comfort during extended use.

6. Maintenance

- **Cleaning:** Use a soft, dry cloth to clean the mouse. Avoid harsh chemicals or abrasive materials.
- **Sensor Care:** Keep the optical sensor on the underside clean and free from dust or debris for optimal tracking performance.
- **Storage:** When not in use, store the mouse in a dry, cool place.
- **PTFE Feet:** The mouse is equipped with 100% pure PTFE feet for smooth gliding. If replacement is needed, use genuine MAMBASNAKE replacement feet.

7. Troubleshooting

- **Mouse Not Responding:** Ensure the mouse is charged and powered on. Check the connectivity mode (2.4G, BT, or Wired) and ensure the receiver is properly plugged in or Bluetooth is paired.
- **Intermittent Connection:** Move the mouse closer to the receiver or Bluetooth device. Ensure there are no obstructions or sources of interference (e.g., other wireless devices).
- **Tracking Issues:** Clean the optical sensor on the underside of the mouse. Ensure you are using the mouse on a suitable surface (a mouse pad is recommended).
- **Buttons Not Working:** Check software settings to ensure buttons are correctly assigned. If using wired mode, ensure the cable is securely connected.
- **Charging Problems:** Verify the USB-C cable is securely connected to both the mouse and the power source. Try a different USB port or power adapter.

8. Specifications

Feature	Specification
Model	M2
Brand	MAMBASNAKE
Connectivity Technology	Bluetooth, 2.4GHz Wireless, USB-C Wired
Movement Detection Technology	Optical (PAW3395PRO Sensor)
