Garvee 71" Coffee Bar Cabinet with Power Outlet & LED Light

Model: lUvflhE5Xb6RKj4Q8GPX0g2HP309Y

Information | Assembly | Operation | Safety | Maintenance | Troubleshooting | Specifications | Warranty & Support

Introduction

Thank you for choosing the Garvee 71" Coffee Bar Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

Safety Information

- **Read All Instructions:** Ensure you understand all assembly steps and safety warnings before use.
- **Keep Children Away:** During assembly, keep children and pets away from the work area. Small parts can be a choking hazard.
- **Use on a Level Surface:** Assemble the cabinet on a clean, flat, and stable surface to prevent damage or injury.
- **Anti-Tipping Device:** Always install the included anti-tipping device to secure the cabinet to a wall. This is crucial to prevent serious injury from tipping furniture.
- **Weight Limits:** Do not exceed the recommended weight limits for shelves and drawers. Overloading can cause structural failure.
- **Electrical Safety:** When using the integrated power outlet, ensure all connected devices are within the specified voltage and current ratings. Do not overload the outlets. Keep liquids away from electrical components.
- **Proper Handling:** Lift with care. If the cabinet is heavy, seek assistance during moving or assembly to prevent injury.

Assembly Instructions

Your Garvee Coffee Bar Cabinet is designed for straightforward assembly. All necessary parts are labeled, and tools are included. Please follow the detailed assembly instructions provided in the separate manual included with your product packaging. For any assistance, our support team is available to respond within 24 hours.

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify that all components listed in the parts list are present and undamaged.
2. **Identify Parts:** Each part is labeled for easy identification. Refer to the assembly diagram in the included manual.
3. **Follow Step-by-Step Guide:** Assemble the cabinet by following the sequential steps in the provided instruction booklet. Do not skip steps.
4. **Secure Anti-Tipping Device:** As a critical safety measure, ensure the anti-tipping device is properly installed and secured to a sturdy wall stud.
5. **Check Connections:** After assembly, ensure all screws and fasteners are tightened securely.

Operating Instructions

The Garvee Coffee Bar Cabinet offers versatile functionality for your home.

1. Integrated Power Outlet & USB Ports

The 47.3" wide countertop features 2 AC outlets and 2 USB ports. These are designed to power small kitchen appliances such as coffee makers, blenders, or to charge mobile devices. Ensure devices are properly plugged in and do not exceed the power strip's maximum load capacity.

Image: Countertop with integrated charging station. This area provides convenient power for your coffee machine and other small electronics.

2. Smart RGB LED Lighting

The cabinet includes customizable RGB LED strips to enhance ambiance. These lights can be controlled via a dedicated app on your smartphone or a remote control. Explore various colors and modes to suit your preference.

- **App Control:** Download the specified app (details in LED light manual) to access full customization options, including DIY color modes, scene modes, music sync, and smart timers.
- **Remote Control:** Use the provided remote for basic color changes and mode selections.

3. Storage Features

The cabinet offers diverse storage solutions:

- **Upper Hutch:** Features tempered glass doors and adjustable shelves for displaying glassware, dishes, or decorative items.
- **Sliding Barn Doors:** The smooth-gliding barn doors provide flexible access to the lower storage compartments and add a farmhouse aesthetic.
- **Storage Drawers:** Three smooth-opening drawers are located beneath the countertop, ideal for storing smaller items like K-cups, utensils, or accessories.
- **Wine Rack:** A removable wine rack in the lower section can hold up to 12 bottles. This can be removed to create a larger open storage space if preferred.
- **Modular Back Panel:** The back panel features 48 pre-drilled holes, allowing for customization with hooks for mugs, openers, or other decor.

Maintenance

Regular care will help maintain the appearance and longevity of your Garvee Coffee Bar Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Promptly clean up any spills, especially on the wood surfaces, to prevent staining or water damage.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.
- **Electrical Components:** Keep the power outlets and LED strips dry and free from dust. Do not attempt to repair electrical components yourself.

Troubleshooting

If you encounter issues with your cabinet, refer to the following common solutions:

- **Cabinet Wobbles:** Ensure the cabinet is on a level surface. Adjust the leveling feet if present, or place shims under the base. Re-tighten all assembly hardware.
- **Drawers Stick:** Check that the drawer slides are properly aligned and free of obstructions. Ensure no items are blocking the drawer's path.
- **Sliding Doors Not Smooth:** Inspect the barn door track for any debris or misalignment. Ensure the rollers are clean and properly seated on the track.
- **Power Outlets Not Working:** Verify that the cabinet's power cord is securely plugged into a functional wall outlet. Check if the circuit breaker has tripped. Do not attempt to open or repair the power strip.
- **LED Lights Not Functioning:** Ensure the LED power adapter is correctly connected and plugged in. Check the remote control battery. If using the app, ensure Bluetooth or Wi-Fi connection is active and the app is updated.
- **Missing Parts:** If any parts were missing during assembly, contact customer support immediately with your product model and part number.

Specifications

Feature	Detail
Brand	Garvee
Model Number	lUvflhE5Xb6RKj4Q8GPX0g2HP309Y
ASIN	B0G6RYZWRP
