Garvee 31.5 inch 3-Tier Foldable Desk with Wheels Instruction Manual

Model: Ksllq8yk3rlsbzQmxRw6WgD0Wsc9

1. Introduction

This manual provides essential instructions for the setup, operation, maintenance, and troubleshooting of your Garvee 31.5 inch 3-Tier Foldable Desk with Wheels. Please read this manual thoroughly before using the product to ensure safe and efficient operation. This desk is designed for versatility and convenience, featuring a foldable design and integrated shelving.

Image 1.1: The Garvee 3-Tier Foldable Desk in a typical home office setting, showcasing its compact design and integrated storage shelves.

2. Safety Information

- Ensure the desk is placed on a flat, stable surface to prevent tipping.
- Do not exceed the maximum weight capacity for each shelf: 66 lbs for the top surface, and 22 lbs for each lower shelf.
- Keep fingers clear of moving parts during folding and unfolding operations.
- Engage wheel locks when the desk is in a stationary position to prevent accidental movement.
- Avoid placing hot items directly on the wooden surface without protection.
- Keep away from open flames or excessive heat sources.

3. Package Contents

Verify that all components are present in the package:

- 1 x 3-Tier Storage Rack (pre-assembled frame)
- 1 x Wooden Board (desktop surface)
- 4 x Wheels (pre-attached to the frame)

4. Setup Instructions

The Garvee Foldable Desk is designed for quick and easy setup, requiring no tools. Follow these steps to unfold and prepare your desk for use:

1. **Step 1: Unfold the Frame.** Gently pull the metal frame open from its folded position. The frame is pre-assembled and will expand.
2. **Step 2: Expand the Shelves.** Continue pulling the frame until the shelving units fully extend and lock into place. Ensure all support bars are securely positioned.
3. **Step 3: Place the Wooden Board.** Carefully position the wooden desktop board onto the top of the metal frame. Ensure it sits flush and securely on the designated supports.
4. **Step 4: Lock the Wheels.** Engage the brakes on all four wheels to secure the desk in its desired location. This prevents accidental movement during use.

The entire setup process can be completed in approximately 8 seconds.

5. Operating Instructions

5.1 Folding and Unfolding

To fold the desk for storage or transport, reverse the setup steps:

1. Unlock all four wheels.
2. Remove the wooden desktop board.
3. Release the locking mechanisms for the shelves and gently push the frame inwards until it collapses into its flat, folded position.
4. Re-attach the wooden board if desired for compact storage, or store separately.

When folded, the desk has a thickness of approximately 5.12 inches, allowing it to be stored in narrow spaces such as behind a door, under a bed, or in a car trunk.

Image 5.1: The desk in its folded state, illustrating its minimal footprint for storage.

Image 5.2: The folded desk being placed into a car trunk, demonstrating its ease of transport.

5.2 Using the Wheels

The desk is equipped with four 360° rotating rubber wheels for easy mobility. Each wheel includes a brake mechanism.

- **To Move:** Ensure all wheel brakes are disengaged. Gently push the desk to your desired location.
- **To Secure:** Once the desk is in position, press down on the lever of each wheel to engage the brake. This will prevent the desk from rolling.

6. Maintenance

- **Cleaning:** Wipe the wooden surface with a soft, damp cloth. For the metal frame, use a mild detergent solution if necessary, then wipe dry. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all connections and locking mechanisms to ensure they are secure.
- **Wheel Care:** Keep wheels free of debris to ensure smooth operation.

7. Troubleshooting

- **Desk is wobbly:** Ensure the desk is on a level surface. Check that all frame components are fully extended and locked into place. Verify the wooden top is seated correctly.
- **Wheels not rolling smoothly:** Check for debris (hair, dust) caught in the wheels. Clean as necessary. Ensure wheel brakes are fully disengaged.
- **Wheels not locking:** Ensure the brake lever is fully pressed down. Check for any obstructions preventing the brake from engaging.

8. Specifications

Feature	Detail
Model Number	Ksllq8yk3rlsbzQmxRw6WgD0Wsc9
Dimensions (Unfolded)	19.7"D x 31.5"W x 29.5"H
Dimensions (Folded)	5.12" Thickness
Weight	22.1 Pounds
Material	Alloy Steel (Frame), P2 Class Particle Board (Top)
Number of Tiers	3
