The device can be placed in landscape or portrait orientation.

BEFORE MOUNTING YOUR DEVICE

TIPS FOR MOUNTING ON THE WALL

- Consider the height of everyone using the device. We recommend placing the device at eye level.
- Make sure there's enough room to mount the device in both orientations.
- Don't drill holes over studs, electrical wiring, or piping.
- Before mounting, unplug the device from electrical outlet and keep it away from water.

TOOLS YOU'LL NEED

- **Electric drill**
  - 5/16. (or 8 mm)
  - Phillips *2 driver bit
- Hammer
- Level or level app
- Wall-safe tape

ALSO IN THE BOX

Wall mount

Power adapter

4x Screws

4x Anchors

Mounting template
sized to the device
15.8" x 9.9" (40.2 x 25.2 cm)

Included screws and anchors are recomanded for drywall, brick, concrete or tile surfases

MOUNTING YOUR ECHO SHOW 15 ON YOUR WALL

1. LEVEL AND TAPE TEMPLATE TO THE WALL

- Use the mounting tips and the included mounting template to identify where to mount your device.
- Place the template on the wall in your chosen orientation.
- Use a level or a level app on your phone to level the template.
- Tape the template in place.
2. DRILL HOLES AND INSTALL ANCHORS

- Using an electric drill with a 5/16″ (or 8 mm) drill bit, drill through the designated holes in the template. Remove template after drilling holes.
- Slowly hammer each of the 4 anchors into the holes until they are flat against the wall.
3. INSTALL WALL MOUNT
Place the wall mount against the wall, aligning the 4 holes with the installed anchors. With the Phillips driver bit, drive the screws through the wall mount holes until they are flat against the wall mount.

## 4. PLUG SUPPLIED POWER CORD INTO DEVICE

Once the device is mounted on the wail, you won't be able to access its power port. DO NOT plug it into a wall outlet yet.

5. SLIDE DEVICE ONTO MOUNT

Place the device flat over the top of the wall mount and slide it down, ensuring that all 4 hooks in the wall mount are engaged with the device. Make sure the device is placed with the camera at the top.
To change the device's orientation, and unhook it from the wag mount and remount it in the other orientation.

SET UP YOUR ECHO SHOW 15

1. HAVE YOUR WIFI AND AMAZON PASSWORDS READY
During setup, you will connect to the internet and sign into your Amazon account.

2. PLUG ECHO SHOW 15 INTO A POWER OUTLET
Use the included power adapter. In about a minute, the display will turn on and Alexa will greet you.

3. FOLLOW THE ON-SCREEN SETUP
Log in with an existing Amazon account username and password or create a new account

4. DOWNLOAD THE LATEST VERSION OF THE AMAZON ALEXA APP
The app helps you get more out of your Echo Show 15. It's where you set up calling and messaging and manage music, lists, settings, and news.

EXPLORE YOUR ECHO SHOW 15

TO ACCESS SETTINGS AND SHORTCUTS
Swipe down from the top edge of the screen.

TO ACCESS YOUR WIDGETS

In landscape orientation, swipe left from the right edge of the screen. In portrait orientation, swipe up from the bottom edge of the screen.
