IDEALHOUSE Twin Daybed with Trundle Bed Instruction Manual

Model: GONcfnfp9931FpfOMHyQtgbtlbr | Brand: IDEALHOUSE

1. Introduction and Safety Information

This manual provides detailed instructions for the assembly, operation, and maintenance of your IDEALHOUSE Twin Daybed with Trundle Bed. Please read all instructions carefully before assembly and use to ensure safe and proper operation.

Important Safety Warnings:

- Always assemble and use the daybed according to the instructions provided.
- Keep the trundle bed in the down position when not in use to prevent entrapment.
- Do not allow children to play or sleep unsupervised on the daybed.
- Do not overload the daybed with more weight than it can support.
- Keep the charging station dry and free from debris.
- Unplug the charging station when not in use or if it becomes damaged.
- Do not use the daybed if any parts are broken or missing.

2. Package Contents

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Main Daybed Frame Components
- Trundle Bed Frame Components
- Linen Upholstered Headboard with Storage Shelf
- Integrated Charging Station Module (pre-installed in headboard)
- RGB LED Light Strip (pre-installed in headboard)
- Hardware Kit (screws, bolts, washers, Allen wrench)
- Assembly Instructions Manual

3. Setup and Assembly Instructions

Assembly is designed to be straightforward with labeled parts and clear instructions. It is recommended to assemble the daybed with two people.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all components are present against the package contents list.
2. **Assemble Main Daybed Frame:** Follow the step-by-step diagrams provided in the separate assembly guide. Secure all bolts and screws firmly, but do not overtighten until the frame is fully assembled.
3. **Attach Headboard:** Connect the upholstered headboard to the main daybed frame using the designated hardware. Ensure the charging station and LED light strip are facing the correct direction.
4. **Assemble Trundle Bed Frame:** Construct the trundle bed frame, ensuring the lockable casters are correctly installed. The trundle is designed to slide smoothly under the main daybed.
5. **Install Bed Slats:** Place and secure the bed slats for both the main daybed and the trundle bed. Ensure they are evenly spaced and firmly attached to provide proper mattress support.
6. **Final Tightening:** Once all components are assembled, go back and securely tighten all bolts and screws.

4. Operating Instructions

4.1. Daybed and Trundle Functionality

The IDEALHOUSE Daybed offers versatile configurations to suit your needs:

- **Daybed Mode:** The main bed functions as a comfortable sofa, ideal for living rooms or guest areas. The trundle bed remains stored underneath.
- **Trundle Extended:** To use the trundle, gently pull it out from under the main daybed. The trundle features lockable casters for stability.
- **Pop-Up Trundle:** For a larger sleeping area, the trundle can be popped up to the same height as the main daybed,

effectively creating a spacious king-size sleeping surface. Ensure the trundle is securely locked in the upright position before use.

4.2. Smart RGB LED Lighting

The integrated RGB LED light strip offers customizable illumination:

- **Control Methods:** The LED lights can be controlled via a button on the headboard, a dedicated remote control, or a smartphone application.
- **Color and Modes:** Choose from over 16 million colors and 20+ preset lighting modes to create various ambiances, from cozy reading light to vibrant party settings.
- **Music Sync Mode:** Activate the smart music sync mode to make the lights pulse and change color in rhythm with your music, creating an immersive experience.
- **Brightness and Timing:** Adjust brightness levels and set timing modes for automatic on/off functions.

4.3. Integrated Charging Station

The headboard features a convenient charging station to keep your devices powered and within reach:

- **Ports:** The charging station includes 2 standard AC outlets, 1 USB port, and 1 Type-C port.
- **Usage:** Simply plug your devices into the appropriate ports. Ensure the daybed is connected to a power source for the charging station to function.
- **Safety:** Always ensure the charging station area is dry and free from debris. Unplug when not in use or if any damage is observed.

5. Maintenance

Regular maintenance will help prolong the life and appearance of your daybed.

- **Cleaning Metal Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning Upholstery:** For the linen upholstered headboard, spot clean with a mild detergent and a damp cloth. Blot dry. Do not saturate the fabric.
- **Checking Connections:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability.
- **Caster Care:** Keep the trundle casters free of dust and debris to ensure smooth operation.
- **Electrical Components:** Ensure the charging station and LED lights are kept dry. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.

6. Troubleshooting

If you encounter any issues with your daybed, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Daybed feels unstable or wobbly.	Loose connections.	Check and tighten all bolts and screws. Ensure all parts are correctly aligned.
Trundle bed does not slide smoothly.	Debris in casters; casters not properly installed; uneven floor.	Clean casters. Verify casters are installed correctly. Move daybed to a level surface.
LED lights are not working.	Power not connected; remote battery dead; loose connection.	Ensure daybed is plugged into a working outlet. Check remote battery. Verify LED strip connections.
Charging station is not charging devices.	Daybed not plugged in; device cable faulty; charging station damaged.	Confirm daybed is plugged in. Try a different charging cable or device. If issue persists, contact support.
Trundle does not pop up or lock into place.	Mechanism obstructed or damaged.	Ensure no bedding or objects are obstructing the pop-up mechanism. Check for any bent or damaged parts.
