Garvee 47" Furniture Style Dog Crate Instruction Manual

Model: CLGVCA-13G8
Brand: Garvee

1. Product Overview

The Garvee 47" Furniture Style Dog Crate is designed to offer a comfortable and secure space for your pet while seamlessly blending with your home decor. This versatile crate features multiple access points, ample storage, and a customizable interior to suit various pet needs.

Key Features:

- **Stylish Furniture Design:** Functions as a dog crate, TV stand, or display shelf, complementing various home decor styles.
- **Triple Door Access:** Includes two side-opening doors and a front sliding door for flexible entry and exit.
- **Customizable Interior:** Features movable dividers to create a large crate, two small crates, or a medium and small combination.
- **Integrated Storage:** Two large drawers provide convenient storage for pet accessories, toys, and supplies.
- **Durable Construction:** Built with a sturdy metal frame and 15mm thick board material for long-lasting use and pet safety.

2. Setup and Assembly

This product requires assembly. Please refer to the detailed assembly instructions included in your product packaging for step-by-step guidance. Ensure all components are present before beginning assembly.

Assembly Tips:

- Lay out all parts and hardware on a clean, soft surface to prevent scratches.
- Follow the numerical or alphabetical order of steps as provided in the manual.
- Do not overtighten screws during initial assembly; tighten fully once the structure is stable.
- Two people are recommended for easier and safer assembly.

Image 1: Product Dimensions. This image illustrates the overall dimensions of the assembled dog crate. The overall width is 47.2 inches, depth is 23.6 inches, and height is 33.1 inches. The internal height of the crate area is 27.6 inches, and the internal depth is 25.4 inches. The top surface has a depth of 22.2 inches and the drawers have a height of 4.7 inches. The crate is suitable for small to large dogs and has a weight capacity of 330 lbs.

3. Operating Instructions

3.1 Front Sliding Door Operation

The front of the crate features two sliding doors that operate on a rail system. To open, simply slide the doors horizontally along the rail. To close, slide them back into position and engage the bottom latch for security.

Video 1: Front Sliding Door and Side Door Demonstration. This video demonstrates the operation of the front sliding doors and the hinged side doors. It also briefly shows the internal divider and the overall aesthetic of the crate as a furniture piece.

3.2 Side Hinged Door Operation

Each side of the crate is equipped with a hinged door for additional access. To open, disengage the latch and swing the door outwards. To close, swing the door back and secure the latch. These doors provide convenient access for cleaning or allowing your pet to enter/exit from the side.

3.3 Adjustable Interior Divider

The crate includes a removable divider that allows you to customize the internal space. You can configure it as one large compartment, two smaller compartments, or one medium and one small compartment. To adjust, simply slide the divider to the desired position or remove it entirely if a single large space is preferred. Ensure the divider is securely placed in its designated slots.

3.4 Storage Drawers

Two spacious drawers are located above the crate compartments. Pull the knobs to open the drawers and store pet essentials such as food, treats, toys, or grooming supplies. Push the drawers back in until they are flush with the crate's front for a neat appearance.

4. Maintenance and Care

Regular maintenance will ensure the longevity and cleanliness of your Garvee dog crate.

- **Cleaning:** Wipe down all surfaces with a soft, damp cloth and a mild, pet-safe cleaner. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Metal Bars:** Periodically check the metal bars for any signs of rust or damage. Clean with a damp cloth and dry thoroughly.
- **Wood Surfaces:** For wooden parts, avoid excessive moisture. Promptly wipe up any spills.
- **Hardware:** Ensure all screws and latches are secure. Tighten if necessary to maintain structural integrity.
- **Moving the Crate:** Utilize the integrated wheels for moving the crate to prevent dragging and potential damage to floors or the crate itself.

5. Troubleshooting

If you encounter any issues with your dog crate, please refer to the following common solutions:

- **Doors not sliding smoothly:** Check the rail for any obstructions or debris. Clean the rail and apply a small amount of silicone lubricant if needed.
- **Latches not engaging:** Ensure the doors are properly aligned. Check for any bent or damaged latch components.
- **Crate wobbles:** Verify that all assembly screws are securely tightened. Ensure the crate is placed on a flat, level surface.
- **Pet discomfort:** Ensure the crate is appropriately sized for your pet. Add a comfortable bed or blanket to encourage use.
