skit Glutamilk Toner

skit Glutamilk Glutathione PDRN Milky Essence Toner Instruction Manual

Model: Glutamilk Toner (5.07 fl oz / 150ml)

1. Product Overview

The skit Glutamilk Glutathione PDRN Milky Essence Toner is a lightweight, milky essence toner designed to hydrate and prepare the skin. It features a blend of Glutathione, PDRN, Niacinamide, Panthenol, and Hyaluronic Acid to support skin hydration, radiance, and overall skin health.
This product is formulated to absorb quickly without leaving a sticky residue, making it suitable for use before other skincare products or makeup.

2. Key Benefits

- **Hydration and Conditioning:** Provides moisture and conditions the skin with a lightweight, non-sticky milky texture that absorbs quickly. It prepares the skin for subsequent makeup or skincare application.
- **Radiance Enhancement:** Formulated with Glutathione, Niacinamide, Vitamin E, and a Vitamin C derivative, the toner supports a luminous and dewy complexion by addressing dullness.
- **Smooth Layering:** Its fast-absorbing texture allows for comfortable layering with other skincare products, such as serums and moisturizers, without pilling or sticky residue.
- **Barrier Support:** Provides lasting hydration, contributing to soft, calm, and plump skin. Key ingredients like Hyaluronic Acid, PDRN, and Panthenol support the skin's moisture barrier.
- **Clinically Tested Results:** Suitable for daily use, both morning and night. Clinical studies indicate a 10.08%

increase in skin moisture, 27.25% improvement in instant radiance, and 10.47% smoother skin texture after a single application.

3. Preparation

Ensure your face is thoroughly cleansed before applying the toner. This prepares the skin to effectively absorb the product's beneficial ingredients.

4. Operating Instructions

4.1 Application Steps

1. After cleansing, dispense an appropriate amount of the Glutamilk Essence Toner into your hands or onto a cotton pad.
2. Gently pat the toner into your skin until fully absorbed.
3. Follow with your preferred serum and moisturizer.

4.2 Usage Frequency

Use the toner daily, both in the morning (AM) and evening (PM), as the first step in your skincare routine after cleansing.
