EFU SB003

EFU 80-Gallon Outdoor Storage Bench User Manual

Model: SB003

1. Introduction

Thank you for choosing the EFU 80-Gallon Outdoor Storage Bench. This versatile product combines comfortable seating with ample storage, designed to enhance your patio, garden, or porch. Crafted from durable, weather-resistant resin, it provides a secure and dry space for your outdoor essentials while offering a convenient seating solution.

Image 1.1: The EFU Outdoor Storage Bench functions as both a spacious storage unit and comfortable seating.

2. Safety Information

- Read all instructions before assembly and use.
- Do not exceed the maximum weight capacity of 600 lbs (272 kg) for seating.
- Ensure the bench is placed on a flat, stable surface to prevent tipping.
- Keep children away from the bench during assembly.
- Do not allow children to play inside the storage compartment to avoid entrapment.
- Do not store flammable or hazardous materials inside the bench.
- Periodically check all fasteners and tighten as necessary.

3. Package Contents

Please verify that all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Bench Lid
- Bench Seat Panel
- Front Panel
- Back Panel
- Side Panels (x2)
- Bottom Panel
- Assembly Hardware (if applicable, though described as tool-free)

- Instruction Manual

4. Setup and Assembly

The EFU Outdoor Storage Bench features a tool-free, snap-together design for quick and easy assembly. Minimal assembly is required.

1. **Step 1:** Attach the side panels to the front and back panels. Ensure all connections click securely into place.
2. **Step 2:** Insert the bottom panel into the assembled frame, ensuring it sits flush and is secure.
3. **Step 3:** Attach the bench seat panel to the top of the frame.
4. **Step 4:** Secure the lid to the bench seat panel, aligning the hinges.

Image 4.1: Visual guide for the tool-free assembly process.

Once assembled, ensure all parts are firmly connected and the bench is stable before use.

5. Operation

5.1 Using the Storage Compartment

The bench offers an 80-gallon storage capacity, ideal for patio cushions, gardening tools, pool accessories, and outdoor toys. To access the storage, simply lift the lid. The lid is designed to stay open for easy loading and unloading.

Image 5.1: The spacious 80-gallon interior can accommodate a variety of outdoor essentials.

5.2 Lockable Design

For added security, the bench features a built-in lock hole. You can use a standard padlock (not included) to secure your belongings. Ensure the lid is fully closed before applying a lock.

5.3 Seating Function

The bench provides comfortable seating for two to three people, with a maximum weight capacity of 600 lbs. Ensure the lid is fully closed and latched before using it as a seat.

6. Maintenance

The EFU Outdoor Storage Bench is constructed from weather-resistant resin, designed for low maintenance.

- **Cleaning:** Wipe the bench with a dry cloth to remove dust and light debris. For more stubborn dirt, use a mild soap and water solution with a soft cloth or sponge, then rinse thoroughly with water and dry.
- **Avoid:** Do not use abrasive cleaners, harsh chemicals, or stiff brushes, as these can damage the resin surface.
- **Weather Protection:** While weather-resistant, prolonged exposure to extreme weather conditions (e.g., heavy snow, ice, intense UV) can affect its lifespan. Consider covering the bench during off-seasons for extended durability.
- **Inspection:** Periodically inspect the bench for any loose parts or damage. Tighten any loose fasteners.

Image 6.1: The resin material is designed to be weather-proof and UV resistant.

7. Troubleshooting

- **Lid does not close properly:**
  - Check for obstructions inside the storage compartment.
  - Ensure the bench is on a level surface.
  - Verify that the lid hinges are correctly aligned and not damaged.
- **Bench feels unstable:**
  - Ensure all panels are securely snapped into place.
  - Verify the bench is placed on a flat, even surface.
  - Check for any missing or damaged parts.
- **Water inside storage compartment:**
  - Ensure the lid is fully closed and latched.
  - Check for any cracks or damage to the resin panels.
  - Verify that the bench is not positioned in an area where water can pool around its base.

8. Specifications

Model Number	SB003
UPC	611624018397
Product Dimensions (D x W x H)	24.17" x 51.06" x 35.24" (61.4 cm x 129.7 cm x 89.5 cm)
