## 2. Setup Instructions

The Garvee Sofa Bed is designed for easy setup with no assembly required. It arrives in a compressed package for convenient shipping.

1. **Unpack the Sofa Bed:** Carefully remove the sofa bed from its compressed packaging. Avoid using sharp objects that could damage the fabric.
2. **Allow for Expansion:** Once unpacked, gently unfold the sofa bed and allow it to expand to its full size. This process typically takes approximately 24 hours. During this time, the high-density memory foam will decompress and regain its intended shape and firmness.

## 4. Maintenance

To ensure the longevity and cleanliness of your Garvee Sofa Bed, follow these maintenance guidelines:

- **Washable Cover:** The corduroy cover is removable and machine washable. Unzip the cover and follow the care instructions on the label. Typically, machine wash cold on a gentle cycle and tumble dry low or air dry.
- **Spot Cleaning:** For minor spills or stains, spot clean the cover with a mild detergent and a damp cloth.
- **Foam Care:** The high-density memory foam insert should not be washed. If it becomes damp, allow it to air dry completely before reinserting the cover.
- **Regular Fluffing:** Periodically fluff and rotate the sofa bed to maintain its shape and even out wear.

## 5. Troubleshooting

- **Sofa Bed Not Fully Expanded:** If the sofa bed does not appear to have fully expanded after unpacking, allow an additional 24-48 hours for the memory foam to decompress completely. Ensure it is placed in a well-ventilated area.
- **Odor:** A slight odor may be present upon initial unpacking due to the new foam. This is normal and will dissipate within a few days in a well-ventilated room.
- **Cover Difficult to Remove/Reinstall:** Ensure the zipper is fully open. When reinstalling, align the edges carefully and zip slowly to avoid snagging.
