# Garvee 8 ft Portable Foldable Ping Pong Table Instruction Manual

Model: adfgwrt

## 1. Introduction

Thank you for choosing the Garvee 8 ft Portable Foldable Ping Pong Table. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new table tennis set. Please read these instructions carefully before use and retain them for future reference.

## 2. Safety Information

- Ensure all parts are securely fastened before playing to prevent injury.
- Keep children and pets away from the table during assembly and folding operations.
- Do not climb or sit on the table.
- Use on a flat, stable surface to prevent tipping.
- When folding or unfolding, be aware of pinch points.

## 3. Package Contents

Verify that all components are present before beginning assembly.

## 4. Setup and Assembly

The Garvee Ping Pong Table is designed for quick and tool-free assembly, with most components pre-assembled. Two people are recommended for easier setup.

1. **Unpack Components:** Carefully remove all items from the packaging.
2. **Unfold Table Halves:** Place each table half on a flat surface. Extend the legs and ensure they lock into place.
3. **Connect Table Halves:** Bring the two table halves together, ensuring they align properly.
4. **Attach Net:**

## 5. Operating Instructions

### 5.1 Standard Play

Once assembled, the table is ready for standard two-player or doubles play. Ensure sufficient space around the table for comfortable movement.

## 5.2 Single Player Playback Mode

To practice solo, convert the table to playback mode:

1. **Fold One Side Up:** Carefully lift one half of the table vertically.
2. **Secure in Upright Position:** Engage the locking mechanism to hold the table half securely in the upright position.
3. **Begin Play:** You can now practice against the upright half of the table.

## 5.3 Folding for Storage

For compact storage, each half of the table folds independently:

1. **Unlock Mechanism:** Disengage the locking mechanism on each table half.
2. **Fold Down:** Carefully fold each table half downwards.
3. **Secure for Storage:** Engage the secure double-lock mechanism to keep the folded halves in place.
4. **Move with Wheels:** Use the built-in wheels to roll the folded table to your desired storage location. Lock the wheels to prevent movement.

## 6. Maintenance

- **Cleaning the Surface:** Wipe the table surface with a damp cloth to remove dust and debris. Avoid abrasive cleaners that may damage the finish.
- **Net Care:** The net can be detached for cleaning. Hand wash with mild soap and water if necessary, then air dry.
- **Frame Inspection:** Periodically check all bolts and screws to ensure they are tight. Tighten any loose fasteners.
- **Storage:** When not in use, store the table in a dry, protected area. Although designed for outdoor use, prolonged exposure to extreme weather conditions may reduce its lifespan.

## 7. Troubleshooting

| Problem | Possible Cause | Solution |
|---|---|---|
| Table is wobbly or uneven. | Uneven floor surface or loose leg levelers. | Adjust the leg levelers until the table is stable. Ensure all leg locks are engaged. |
| Net is not taut. | Net clamps are not tightened sufficiently. | Re-tighten the net clamps on both sides of the table. Ensure the net posts are fully extended. |
| Difficulty folding/unfolding. | Locking mechanisms are not fully disengaged/engaged. | Ensure all safety locks are properly released before folding and securely engaged after unfolding or folding for storage. Refer to the "Operating Instructions" section. |
