Jojoka DONWv3hB9wsZ

Jojoka Eclectic Rattan Bed Frame with LED Light - King Size User Manual

Model: DONWv3hB9wsZ

1. Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Jojoka Eclectic Rattan Bed Frame with LED Light. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.
The Jojoka King Size Bed Frame features a natural rattan headboard, integrated LED lighting with app control, a headboard storage shelf, and sturdy construction designed for comfort and durability.

2. Safety Information

- Keep all small parts and packaging materials away from children.
- Assemble the bed frame on a soft, clean surface to prevent scratches.
- Ensure all screws and bolts are securely tightened before use. Periodically check and retighten as necessary.
- Do not exceed the maximum weight capacity of 1100 lbs (500 kg).
- Do not stand or jump on the bed frame.
- Use only the provided or recommended tools for assembly.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support.

3. Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. Refer to the included installation manual for a detailed parts list and hardware identification.

- Headboard (with integrated rattan panels and LED strip)
- Side Rails
- Footboard
- Wooden Slats
- Center Support Legs

- Hardware Pack (screws, bolts, washers, Allen wrench)
- LED Light Controller and Power Adapter
- Installation Manual

4. Setup and Assembly

Assembly is designed to be straightforward. It is recommended to have two people for easier assembly. All necessary tools are included.

1. **Prepare the Area:** Clear a space large enough for the bed frame assembly. Lay down a blanket or cardboard to protect flooring and bed frame components.
2. **Attach Side Rails to Headboard:** Connect the side rails to the headboard using the provided bolts and Allen wrench. Ensure connections are secure but do not fully tighten until all main frame components are in place.
3. **Attach Footboard:** Connect the footboard to the other end of the side rails. Once all four corners are connected, fully tighten all bolts for the main frame structure.
4. **Install Center Support:** Attach any center support beams and legs as indicated in the detailed manual. These provide crucial support for the slats and mattress.
5. **Place Wooden Slats:** Lay the wooden slats across the bed frame. Ensure they are evenly spaced and secured according to the instructions (some slats may have pre-drilled holes for screws or a locking system). The secure slat-locking system and anti-noise pads are designed to reduce friction and squeaking.
6. **Connect LED Lighting:** Locate the LED strip on the headboard. Connect the LED controller and power adapter as per the separate LED instructions. Ensure all connections are firm.
7. **Final Check:** Verify that all connections are tight and the bed frame is stable before placing your mattress.

Image: Dimensions of the Jojoka King Size Bed Frame. The frame measures 81.1 inches in length, 78 inches in width, and 41.3 inches in height. It supports a maximum load of 1100 lbs and is suitable for mattresses 8-12 inches high.

Image: Diagram illustrating the 25mm thickened bed frame construction and sturdy wooden slats. This design provides stable support, a noise-free experience, and a maximum load capacity of 1100 lbs.

5. Operating Instructions (LED Lights)

Your Jojoka bed frame includes integrated RGB LED lighting in the headboard, controllable via a dedicated app.

1. **Power On/Off:** Ensure the LED power adapter is plugged into a working electrical outlet. The lights can typically be turned on/off via the app or a small inline controller if provided.
2. **App Download and Connection:**
    - Scan the QR code in the LED instruction leaflet or search for the specified app name in your device's app store (e.g., "Smart LED" or similar).
    - Install the app and follow the on-screen instructions to pair your smartphone or tablet with the LED lights via Bluetooth.
3. **Features via App Control:**
    - **Color Selection:** Choose from over 6,000 color combinations.

- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Music Sync Mode:** The lights can react and change color to the rhythm of music played through your device's microphone or selected music files.
- **Dynamic Modes:** Select from various pre-programmed lighting effects (e.g., fading, jumping, strobing).
- **Timing Function:** Set schedules for the lights to turn on or off automatically.

6. Maintenance

- **Wood Frame:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. Dry immediately with a clean cloth.
- **Rattan Headboard:** Gently dust with a soft brush or vacuum with a brush attachment. For spills, blot immediately with a clean, dry cloth. Avoid excessive moisture.
- **LED Lights:** Ensure the LED strip and controller remain dry. Do not attempt to repair or modify the LED components. If issues arise, refer to the troubleshooting section or contact support.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Retighten as needed to maintain stability and prevent squeaking.

7. Troubleshooting

Problem	Possible Cause	Solution
Bed frame squeaks	Loose hardware; friction between components.	Tighten all bolts and screws. Ensure slats are properly seated. Anti-noise pads are installed correctly.
LED lights not turning on	Power adapter unplugged; loose connection; app not connected.	Check power outlet and adapter connection. Ensure LED controller is securely connected. Re-pair the app via Bluetooth.
LED lights not responding to app	Bluetooth not enabled; app not paired; app malfunction.	Ensure Bluetooth is on. Re-pair the device in the app. Restart the app or your phone.
Bed frame feels unstable	Incomplete assembly; loose connections; missing support legs.	Review assembly steps. Tighten all hardware. Ensure all support legs are installed and touching the floor.

8. Specifications

Model Number	DONWv3hB9wsZ
Size	Super King (King Set Name)
Product Dimensions (L x W x H)	85.24" x 77.56" x 41.54"
