Garvee Coffee Bar Cabinet with Fridge Space - User Manual

Model: cg8-vz6VcQFf-RKAzwNxm-j5YbAhg

1. Introduction

Thank you for choosing the Garvee Coffee Bar Cabinet with Fridge Space. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before assembly and retain them for future reference.

Safety Information

- Ensure all parts are present and undamaged before assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Keep small parts away from children.
- Always use appropriate tools for assembly.
- Do not exceed the weight capacity of the shelves or tabletop.
- Ensure the cabinet is placed on a stable, level surface.
- The fridge compartment is designed for mini-fridges; ensure proper ventilation.
- The built-in power outlet is for indoor use only. Do not expose to moisture.

2. Package Contents

Before beginning assembly, verify that all components listed below are present in your package. If any parts are missing or damaged, please contact Garvee customer support.

- Cabinet Panels (various sizes)
- Drawer Components
- Glass Door(s)
- Adjustable Shelf(ves)
- Hardware Pack (screws, dowels, cam locks, hinges, handles)
- Built-in Power Outlet Unit (with 2 AC outlets, 1 USB port, 1 Type C port, 4.9ft power cord)
- RGB LED Light Strip
- LED Remote Control

- Assembly Instructions Manual

Note: A mini-fridge is **not** included with this cabinet and must be purchased separately.

3. Product Overview

The Garvee Coffee Bar Cabinet is designed to provide a versatile storage and serving solution for your home, featuring a dedicated space for a mini-fridge, a built-in charging station, and ambient LED lighting.

4. Setup and Assembly Instructions

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate assembly manual included in your package. Ensure you have a Phillips head screwdriver and a hammer (optional for dowels) ready.

General Assembly Tips:

- **Unpack Carefully:** Lay out all parts on a clean, soft surface to prevent damage.
- **Identify Parts:** Match each part to the corresponding label in the assembly manual.
- **Follow Order:** Adhere to the numbered steps in the assembly manual for best results.
- **Do Not Overtighten:** Hand-tighten screws initially, then gently tighten with a screwdriver. Overtightening can strip screws or damage wood.
- **Adjustable Shelf:** The cabinet includes an adjustable shelf. Determine your desired height before securing the shelf pins.

5. Operating Instructions

5.1 Built-in Charging Station

The cabinet is equipped with a power strip featuring 2 standard AC outlets (120V/12A), 1 USB port, and 1 Type C port. The power cord is 4.9 feet long.

1. Ensure the cabinet's power cord is securely plugged into a functional wall outlet.
2. Plug your appliances (e.g., coffee maker, blender) into the AC outlets.
3. Connect your devices (e.g., smartphone, tablet) to the USB or Type C ports for charging.

Image: Close-up view of the built-in charging station, showing 2 AC outlets, 1 USB port, 1 Type C port, and the power cord.

5.2 RGB LED Ambient Lighting

The integrated RGB LED light strip offers multiple dynamic lighting modes and can be controlled via the included remote control.

1. Ensure the LED light strip is properly connected to the power source as per assembly instructions.
2. Use the remote control to turn the lights ON/OFF.
3. Select desired colors, brightness levels, and dynamic modes (e.g., flash, fade, strobe) using the remote.
4. Some models may include a timing function for automatic shut-off. Refer to the LED remote's specific instructions for details.

6. Maintenance and Care

Proper care will ensure the longevity and appearance of your Garvee Coffee Bar Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Heat Protection:** Use coasters or placemats under hot items to protect the tabletop.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of wood.
- **Glass Doors:** Clean glass with a glass cleaner and a soft cloth.

7. Troubleshooting

Problem	Possible Cause	Solution
LED lights not turning on.	◦ Power connection loose. ◦ Remote control battery dead. ◦ LED strip damaged.	◦ Check all power connections for the LED strip. ◦ Replace remote control battery. ◦ Contact customer support if the strip is damaged.
Charging station not working.	◦ Cabinet power cord unplugged. ◦ Wall outlet not functional. ◦ Device cable faulty.	◦ Ensure the cabinet's main power cord is plugged in. ◦ Test the wall outlet with another appliance. ◦ Try a different charging cable for your device.
Drawer or door not closing properly.	◦ Improper assembly. ◦ Obstruction. ◦ Hinges/slides misaligned.	◦ Review assembly steps for drawers/doors. ◦ Check for items blocking closure. ◦ Adjust hinges or drawer slides as needed.

8. Specifications
