AMWGIMI Rechargeable Touch Table Lamp

INTRODUCTION

Presenting the AMWGIMI Rechargeable Touch Table Lamp, the ideal fusion of style, use, and beauty. This **\$28.99** touch-sensitive light, which has a metal base and a crystal flower pot, is a gorgeous piece of décor with its sunflower pattern. With three light modes—white, warm, and natural—and an integrated rechargeable battery, the lamp may be used in a range of locations, including living rooms, offices, dining rooms, and bedrooms. With its gentle LED light, this lamp, which was introduced by AMWGIMI in December 2023, is ideal for creating a warm atmosphere in any space. It provides up to 8–10 hours of use on a full charge with a mere 3-hour charging period. Whether you use it as a reading lamp, nightlight, or decorative item, it's a lovely present for mothers, women, or anybody who values tasteful décor.

3 light colors

Feel free to adjust the colors you like

• Warm light •

• Natural light •

• White light •

- **The 54 LED lights** that are included provide soothing, non-dazzling illumination that is easy on the eyes.
- **Compact Size:** The lamp is ideal for any small tabletop, nightstand, or corner spot due to its proportions of 4.7"D x 8.26"W x 9"H.
- **Crystal Flower Pot Base:** The base's crystal-like polish lends the lamp an opulent, sophisticated appearance.
- **Metal Base for Durability:** Long-lasting use is guaranteed by the solid metal base that is used in its construction.
- **USB Charging Port:** It has a USB charging port that allows it to be easily charged with a USB adapter, power bank, or computer.
- **Long Battery Life:** The light has an 8–10 hour battery life after a full charge (about 3 hours), which makes it perfect for overnight use.
- **Portable construction:** It is easy to move from room to room due to its cordless operation and lightweight (1 lb) construction.
- **Energy-Saving LED Light Bulbs:** When compared to conventional lights, the energy-efficient LED bulbs in the lamp offer notable energy savings.

- **Excellent in a Variety of Settings:** Perfect for outdoor areas, dining rooms, living rooms, and bedrooms. It gives any space a cozy, welcoming feel.
- **The Perfect Present for Women:** It's the ideal present for birthdays, anniversaries, or special occasions like Mother's Day because of the flowery appeal and delicate illumination.
- **Festival and Event Ready:** Ideal for a variety of festivals, weddings, or gatherings, it adds a charming and ornamental touch to your festivities.

SETUP GUIDE

- **Unpack Carefully:** Take the lamp out of the box, being careful not to break the fragile crystal flower pot base or the LED lights.
- **Charge the Lamp:** To fully charge the lamp, connect it to a USB power source, such as a computer or adapter. It takes about three hours to charge.
- **Power On:** To turn the lamp on after it is fully charged, use the touch control button.
- **Select the Color Mode:** White light, warm light, and natural light are the three color options that can be chosen by tapping the touch control.
- **Adjust Brightness:** To change the brightness to your preferred level, press and hold the touch control button.
- **Position on a Flat Surface:** For best stability, position the lamp on a flat surface, such as a desk, bedside table, or countertop.
- **Use as a Nightlight:** Reduce the brightness to create a gentle nightlight that's ideal for unwinding or going to sleep.
- **Place in Living Areas:** To improve the atmosphere during meals or get-togethers, place it in the dining room or living room.
- **Use as a Reading Lamp:** Turn up the brightness so that it can be used as a study or reading lamp.
- **Use on Particular Occasions:** To add a unique decorative touch, place it on tables for romantic dinners, festivals, or celebrations.
- **Carry the Lamp:** Its lightweight, portable design allows you to take it from room to room or to outdoor spaces like patios or porches.
- **Use in Bedrooms:** Ideal for bedside tables, these lamps provide a soothing and soothing glow that improves the quality of sleep.
- **Outdoor Use:** To add a festive, glowing touch, it can also be used outside on patios

or balconies.

- **Present Presentation:** For a unique touch, wrap the lamp in a ribbon or beautiful box if you're giving it as a present.
- **Turn Off When Not in Use:** To conserve battery life, press the touch button once more to turn off the lamp when not in use.

CARE & MAINTENANCE

- **Frequent Dusting:** To avoid dirt accumulation, lightly dust the flower pot and the lamp with a soft cloth.
- **Avoid Water Contact:** To protect the electrical parts and the flower pot base, keep the light away from moisture or water.
- **Clean the Metal Base:** To prevent corrosion and maintain its shine, wipe the metal base with a dry or slightly moist cloth.
- **Avoid Direct Sunlight:** To keep the flowers from becoming discolored, keep the lamp out of direct sunlight for short periods of time.
- **Charge Frequently:** If the lamp isn't being used for extended periods of time, it should be recharged frequently to preserve the best possible battery performance.
- **Use Only Approved Charging Equipment:** To prevent battery damage, charge the lamp using the USB cable that comes with it or a compatible converter.
- **Store Correctly:** To prevent possible damage, keep the light in a dry, secure location while not in use.
- **Don't Drop:** The base and flowers of the lamp may be fragile; handle carefully to prevent breakage or cracking.
- **Adjust Brightness as Needed:** To extend battery life, avoid using the light at its highest brightness for prolonged periods of time.
- **Turn Off When Not in Use:** Make care to switch off the lamp when not in use to preserve battery life.
- **Wipe the Flower Pot:** To clean the flower pot, use a gentle, dry cloth; do not use any cleaning agents that might harm the material.
- **Check Battery Life:** Replace the battery or get help from customer service if the lamp isn't keeping a charge as long as it once did.
- **Avoid Heavy Objects:** To avoid breaking the flower pot or base, avoid setting heavy objects on top of the light.

- **Avoid Submersion in Water:** Avoid immersing the lamp in water or attempting to clean it directly with water due to its electrical components.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lamp does not turn on	Low or no battery charge	Charge the lamp for at least 3 hours
Lamp not responding to touch	Touch sensor malfunction or dirt	Clean the touch sensor and try again
Light is too dim	Incorrect brightness setting	Long press the touch control to adjust brightness
Lamp flickering	Low battery or faulty connection	Charge the lamp fully and check the connections
Light stays on one mode	Touch control malfunction	Reset the lamp by turning it off and on again
Battery not holding charge	Old or damaged battery	Contact manufacturer for battery replacement under warranty
Light doesn't change modes	Faulty touch control	Check if the touch sensor area is clean and responsive
Lamp base is unstable	Uneven surface or loose base	Ensure the lamp is on a flat, stable surface
Charging time is too long	Using non-appropriate charging device	Use the provided USB cable or a compatible device
Light fails to work after charging	Battery failure or internal issue	Contact customer service for troubleshooting or replacement

PROS & CONS

Pros:

- Three light modes (white, warm, and natural) offer versatility for different moods and settings.
- Touch control allows easy switching between modes and brightness adjustment.
- It has a portable design with a rechargeable battery, making it easy to move and use anywhere.
- Soft, non-dazzling LED light provides a cozy and soothing atmosphere for any room.
- The durable metal base and elegant crystal flower pot make it a long-lasting, stylish decor item.

Cons:

- A charging time of 3 hours may be a bit long for some users.
- Relatively short battery life compared to larger lamps, offering only 8-10 hours of usage.
- No color options are available; only a sunflower design is offered.
- Not suitable for very bright lighting needs in large rooms or spaces.
- The fragile crystal flower pot may require extra care during handling.

WARRANTY

The AMWGIMI Rechargeable Touch Table Lamp comes with a **1-year** manufacturer warranty. This warranty covers any defects in material or workmanship, including issues with the lamp's charging system, light modes, or battery life. If you encounter any problems with the lamp, please contact AMWGIMI for a replacement or refund. This warranty ensures peace of mind for a full year from the date of purchase.

FREQUENTLY ASKED QUESTIONS

What is the AMWGIMI Rechargeable Touch Table Lamp?

The AMWGIMI Rechargeable Touch Table Lamp is a cordless, touch-controlled table lamp featuring 54 LED lights and silk sunflowers in a crystal flower pot. It provides 3 color modes (white, warm, and natural light) with stepless dimming

functionality.

How long does the AMWGIMI Rechargeable Touch Table Lamp last on a full charge?

Once fully charged (about 3 hours), the AMWGIMI Rechargeable Touch Table Lamp can last for 8-10 hours, depending on the brightness setting, providing long-lasting illumination for your space.

What are the color modes available on the AMWGIMI Rechargeable Touch Table Lamp?

The lamp features 3 color modes: white light, warm light, and natural light, allowing you to adjust the ambiance according to your preference and the setting.

How does the touch control work on the AMWGIMI Rechargeable Touch Table Lamp?

The AMWGIMI Rechargeable Touch Table Lamp uses a touch control system, enabling you to turn on/off the lamp, switch between the color modes, and adjust the brightness by long pressing the touch control button.

What are the benefits of the AMWGIMI Rechargeable Touch Table Lamps design?

The lamp features a polished metal base, a crystal flower pot, and 54 LED lights with artificial sunflowers, creating a beautiful yet practical piece of decor that can elevate any room, providing romantic and functional lighting.

Why is the touch control on my AMWGIMI Rechargeable Touch Table Lamp not responding?

If the touch control isn't responding, try resetting the lamp by turning it off and then back on. Also, ensure that there is no obstruction on the touch control area and that the lamp is fully charged.

How can I fix a flickering issue with my AMWGIMI Rechargeable Touch Table Lamp?

Flickering could be caused by a low battery. Charge the lamp fully and check if the flickering stops. If the issue continues, ensure that the LED lights and connections are intact, and no wires are loose.
