- 1x Electric Mosquito Swatter Stand & Holder 1x User
- Manual

CHARGING INSTRUCTIONS

There are three different charging methods:

1. Connect the USB charging cord to your device and then to a mobile phone adapter, then plug into socket.
2. Connect the USB charging cord to your device and then to a battery/power bank.
3. Connect the USB charging cord to your device and then to a power strip with USB outlets.

NOTE: When charging your device, make sure to first switch the power to OFF (the charging indicator light will illuminate). Full charging time is approximately 10 hours.

HOW TO USE

1. Charge the device for 6-8 hours prior to first use (see charging instructions above).
2. There are two usage methods for this device:
 - **Manual Mosquito Elimination:** Turn the power switch to “ON1”. Press and hold the zap activation button located above the power switch. The working light will illuminate to indicate that the device is active. Aim and swing the racket towards mosquitos to eliminate them. Take caution when handling, as the voltage of

the net may be active. Switch the power back to OFF once finished using. (Total Usage Time with a Fully Charged Battery: Approx. 45-60 Days [using the device 2-3 times a day])

- Mosquito Lamp Mode: Place the product on its stand/base. Turn the power switch to “bulb icon”.
- The built-in purple LED light will illuminate and remain lit in this mode, releasing 395-400mm wavelengths that will help attract mosquitos, eliminating them upon contact with the net. Switch the power back to OFF once finished using. (Total Usage Time with a Fully Charged Battery: Approx. 10 hours)

LIMITED LIFETIME WARRANTY

Your Anatomic Elements product is backed by a limited lifetime manufacturer’s warranty. Anatomic Elements will repair or replace your device at any time should it fail due to a defect in material or workmanship, subject to the certain limitations. This limited warranty does not cover any damage that results from unauthorized or improper use, service, or repair. Further, it does not cover damage caused by accident, impact, negligence, or normal wear and tear. Should you discover your Anatomic Elements product is not functioning properly, please send your device to our repair center for evaluation. If your product cannot be repaired or serviced, we will reserve the right to change it for a similar or newer model. Please note that a flat rate of \$11.00 will be charged to cover a service evaluation fee and return shipping of your device. All warranty claims must be accompanied by a copy of your proof of purchase from an authorized retailer. Please send your device, proof of purchase, and a check or money order in the amount of \$11.00 made out to Anatomic Elements to:
