## Connecting

Connect to PC Bluetooth USB adapter

Plug the Bluetooth USB adapter into a USB port on your PC, Power Conf+ is ready to use when powered on.
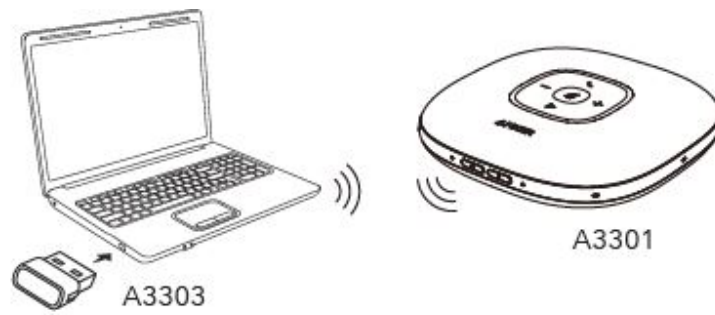

Having a problem? You might need to manually set PowerConf+ as the audio device for your PC system or conference software.
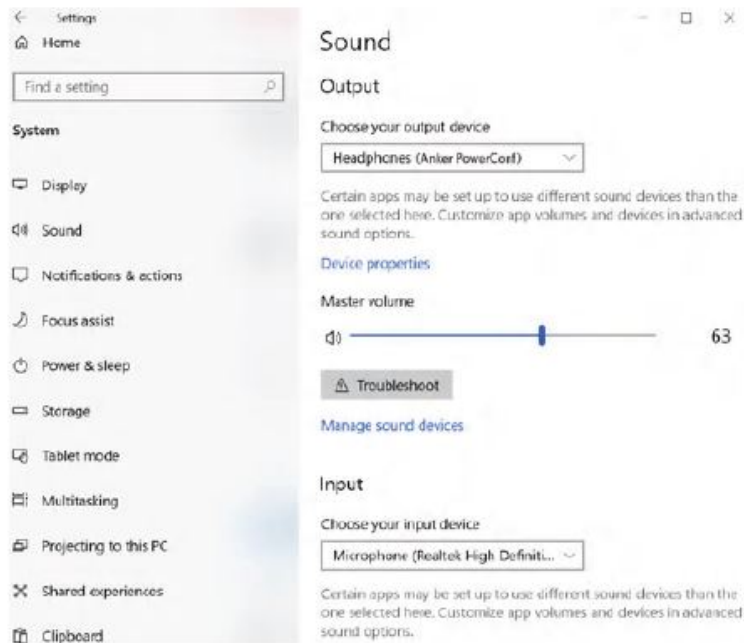

iOS System

System Preferences > Sound > Sound Effects / Output / Input

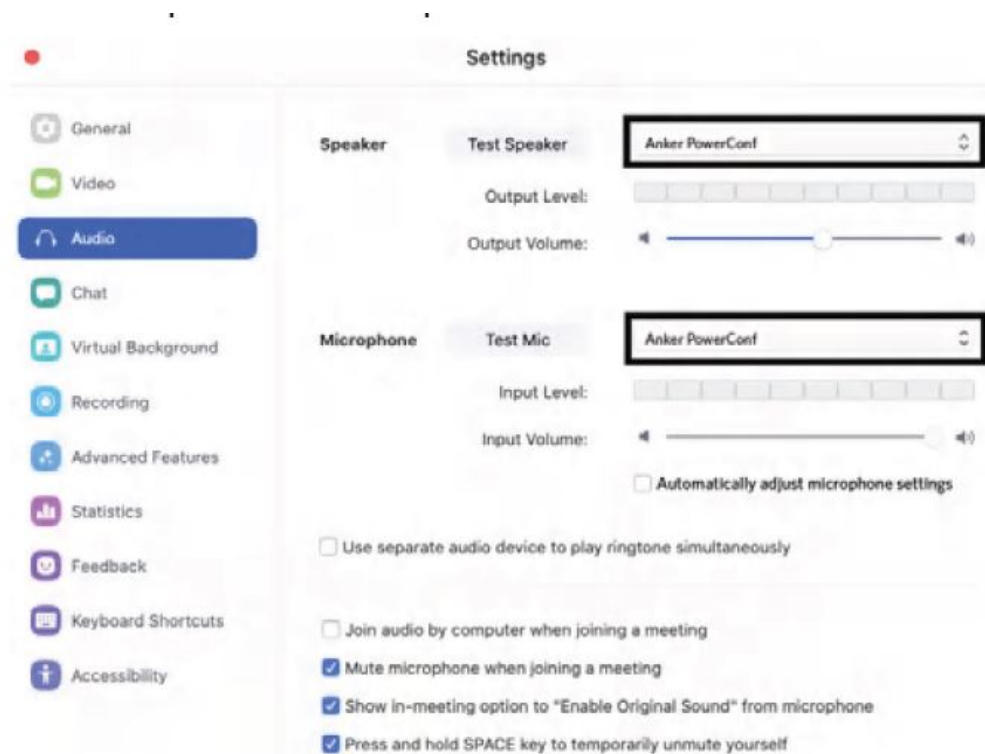

Windows System

Right click on the sound icon > Open Sound settings > Choose your output device / Choose your input device

Software (Zoom)

Audio Settings… > Microphone / Speaker

Connect to PC (USB-C cable)

Connect to smartphone (Bluetooth pairing)

When powered on, PowerConf+ will automatically enter the Bluetooth pairing mode. Select Anker PowerConf+ on your smartphone's Bluetooth list to connect.

	Press	Enter pairing mode
	Flashes blue	Bluetooth pairing
	Steady blue	Bluetooth connected

Each time you power on PowerConf +, it will automatically connect with the last successfully connected device if available. To disconnect Bluetooth, press the Bluetoth button again.

Powering On/Off

Press and hold the power button for 2 seconds to power on. The status LED will light on clockwise and then fade out. To power off, press and hold the power button for 2 seconds.

-

ON — OFF
⊕ 2″
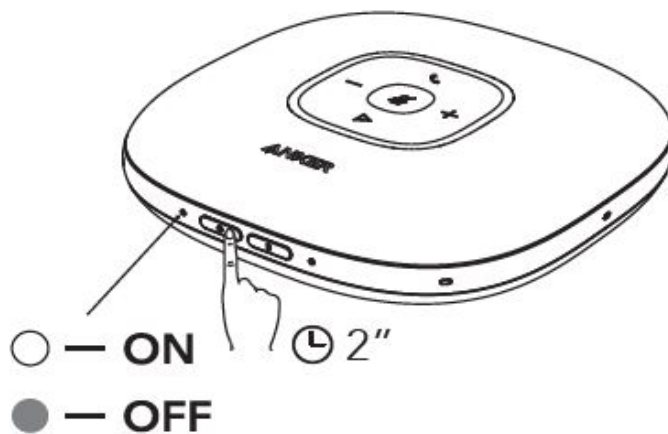

PowerConf+ will automatically power on once connected to your PC by using the USB-C cable.

- PowerConf+ will automatically power off after 30 minutes of inactivity or no source.

Button Controls

|		
+/−	Press or press and hold	Volume up/down
📞	Press	Answer/End a call
	Press and hold for 2 seconds	Reject a call
🎤	Press	Mute or restore the microphone

Lights up green	Press Power button to check the battery level

## Charging

Charge your PowerConf+
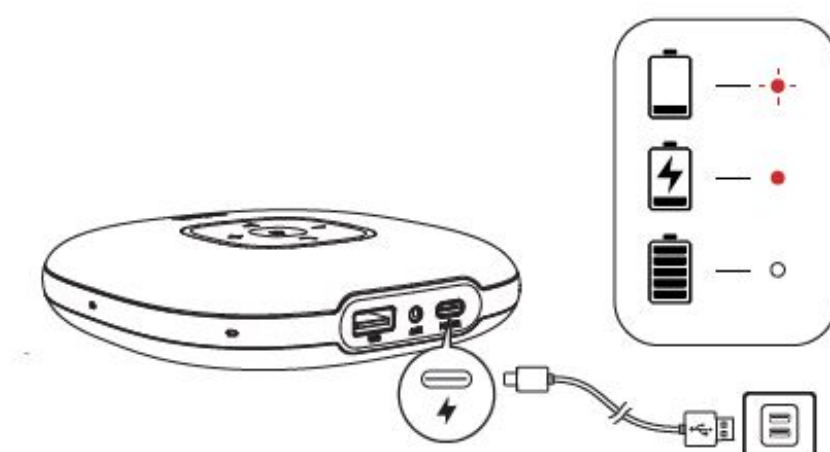

Charge an external device
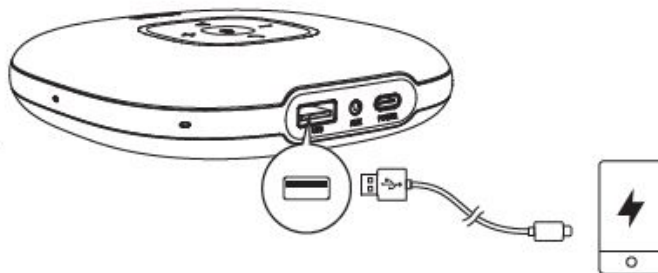

When powered off or being charged, PowerConf + won't charge out. When the remaining battery is less than 30%, the charge out current will be 5V 1A; if less than 10%, PowerConf + won't charge out.

Audio Output

Connect an external speaker to the AUX OUT port of PowerConf + by using an AUX cable (not provided). The audio will be played through the speaker.
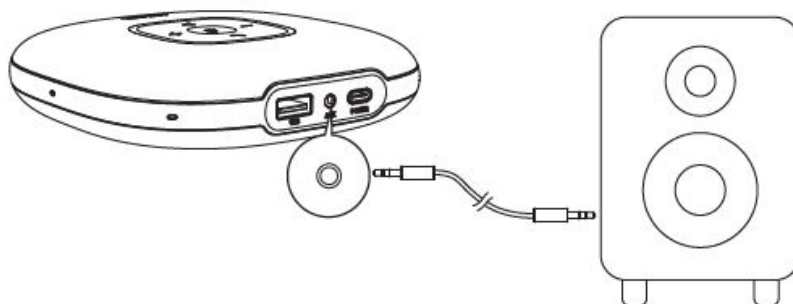

Soundcore App

Download the Soundcore App for software updates.
