**Wipe:** Use the cleaning kit to clean the phone screen outside the installation box.

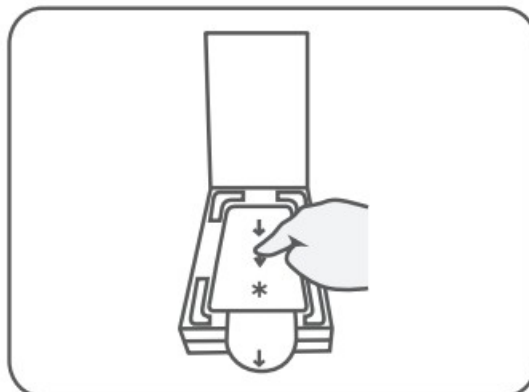

**Put:** Place the cleaned phone flat in the compartment with the screen facing up.

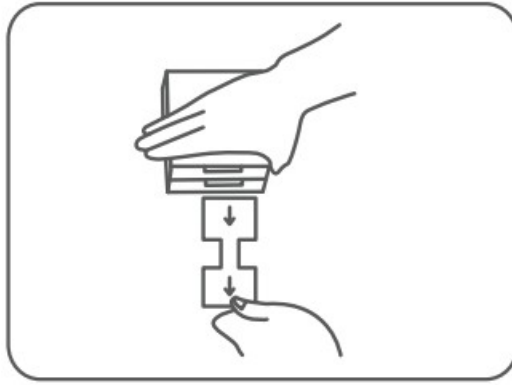

**Cover:** Place the pull-tab and film over the phone's screen.

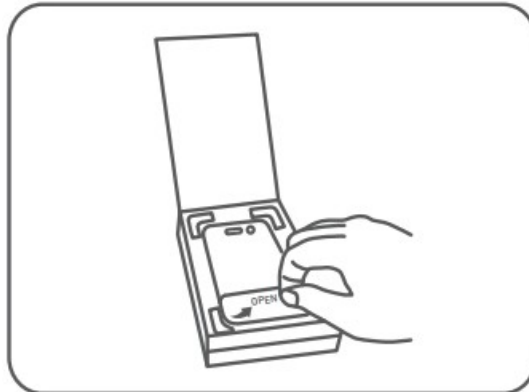

**Slide:** Slide your fingertips once along the indicated direction to check if the film is positioned correctly.

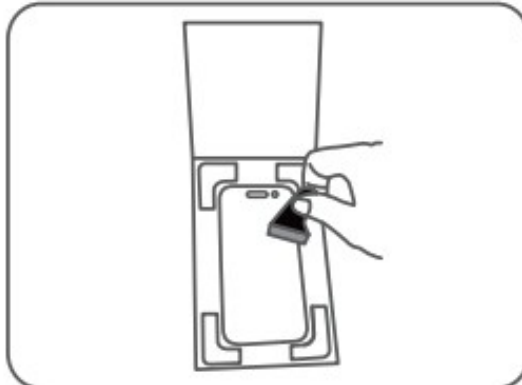

**Close and Pull:** Close the lid, press down on the top flap at the lower end of the packaging, and then completely pull out the tab.

**Reveal:** After completing all the steps, remove the blue sticker without touching the screen. Then, wait for 3-5 seconds.

**Inspect:** If any bubbles remain, gently push them towards the screen's edges using the small scraper provided.
